Subject: Requesting Appointment to Open Board Seat at Westport County Water District

Hello.

My name is Gary Weiss. I have been serving as a member of the board of directors of the Westport County Water District for the past 2 1/2 years. I understand from our administrator Kayla Cooper, however, that the County does not have the required current records of my directorship status. I do not understand why that is, since I believe I have properly completed all the required forms and paperwork. Nevertheless, out of an abundance of caution, I hereby request appointment to the open board seat vacated by Mr. Ryan Grossman last month. The Westport County Water District urgently needs my appointment, because without it, it will not have enough directors to convene a quorum at its monthly meetings and take action.

Thank you for your consideration.

Gary Weiss
