Interests & Experiences

Randal Macdonald

Special Expertise, Experience, or Interest in This Area?

For years, I have been working to raise public concern and bring about solutions to our climate crisis. I have given numerous presentations on climate change and climate action to groups throughout Mendocino County and beyond. As a member of the Sierra Club Redwood Chapter's Executive Committee, I founded and am Program Director of the Chapter's Climate Protectors program (<https://climateprotectors.net>), which seeks to inspire community-based climate action. I also served for years on the Executive Committee of the Santa Rosa Chapter of the Citizens Climate Lobby. I regularly attend meetings of Climate Action Mendocino, the Coast Climate Crew and the Mendocino County Climate Action Advisory Committee.
