| *Community College District*

Title IV-E Funding and Structure

Mendocino County 6/20/23

Title IV-E Training Funding Background

- Same federal funding source as Foster Kinship Care Education, Social Work (Bachelor's and Master's Degree) Stipends, Regional Training Academies, etc.
- CLPCCD's model is different and based on a model developed in 2000 in Ventura County.
 - Not administered through the state
 - Contract directly with counties and therefore use the county's federal rate (or proration rate) not state rate
- Currently CLPCCD has contracts in Alameda, Amador, Calaveras, Humboldt, Lake, Mendocino, Solano, and Tuolumne.
 - Monterey, Ventura, and San Francisco use different colleges

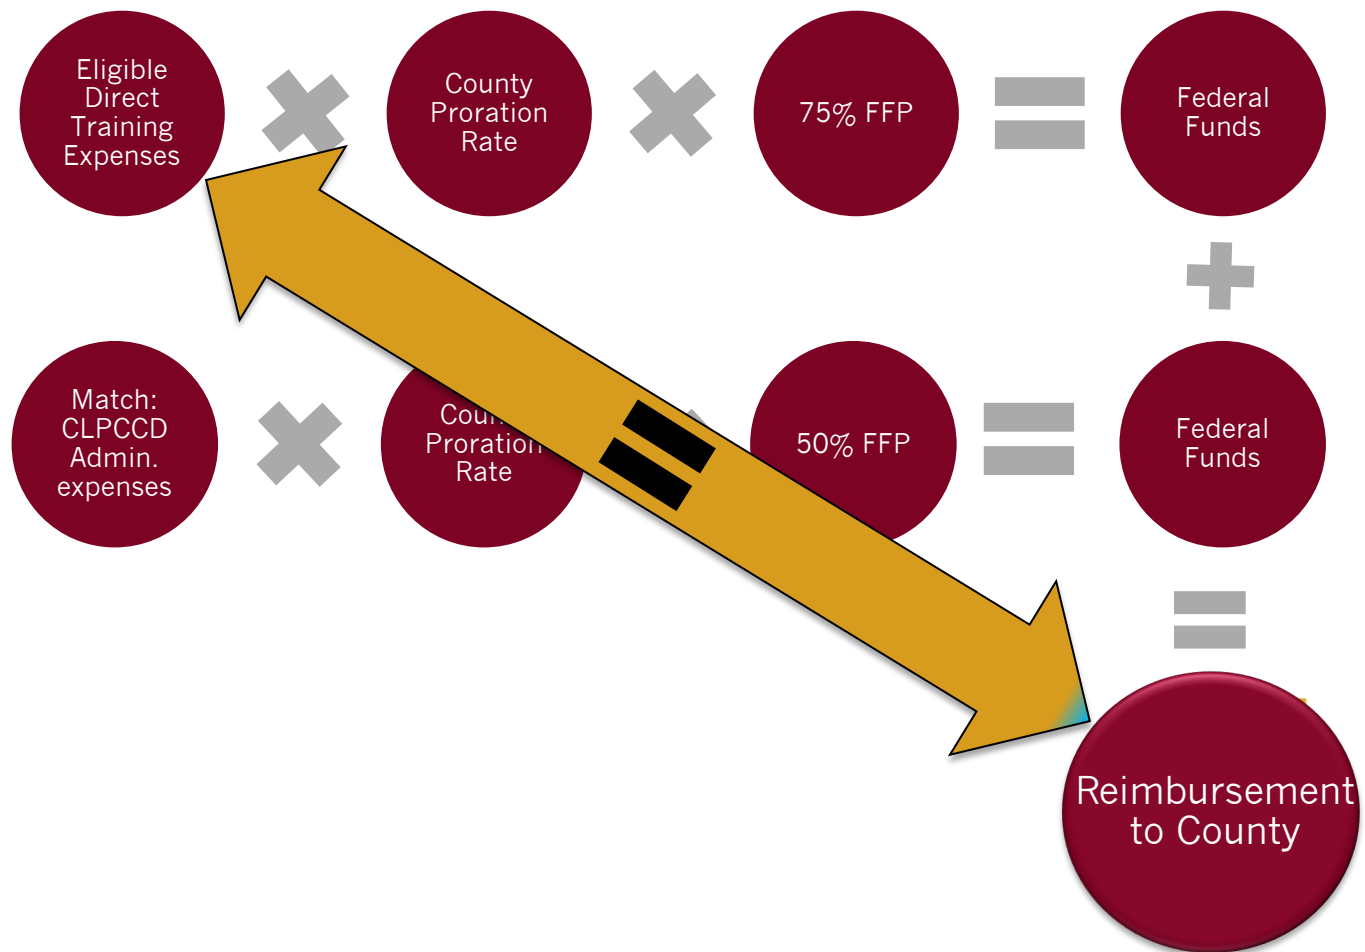

Title IV-E Training Requires Cost Sharing

- The Federal Financial Participation (FFP):
 - 75% for most direct training expenses
 - 50% for administrative expenses
- Prorated based on the proportion of federally eligible kids in care in the county (by quarter)
$$\frac{\text{\# of federally eligible kids}}{\text{\# of total kids in care}}$$
- Feds allow educational institutions to provide “match”

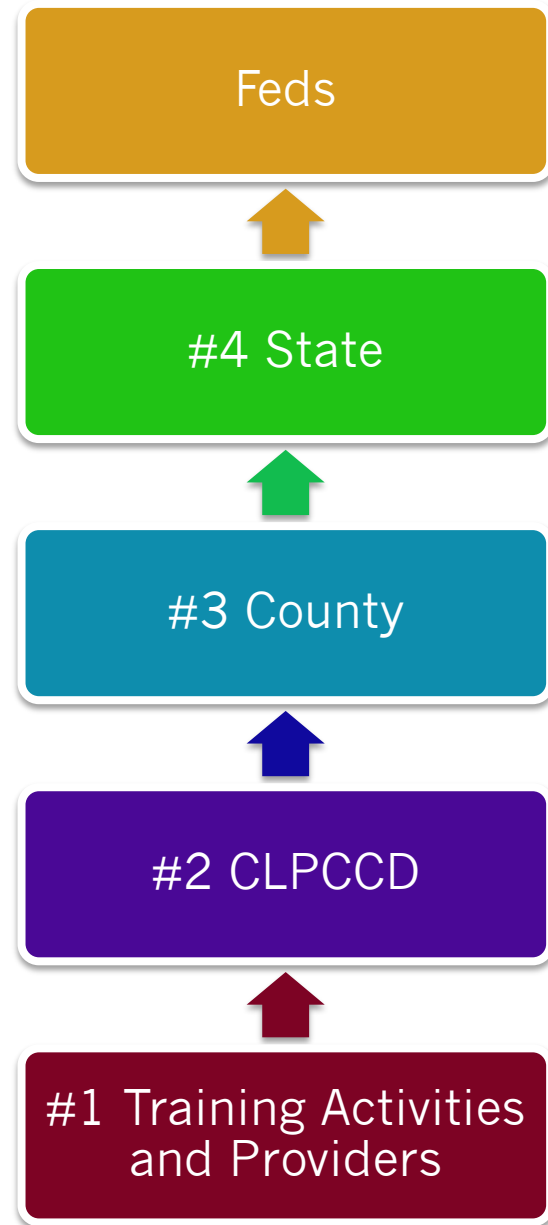

How the reimbursement works

CLPCCD provides the “match”- the district’s non-federal/ unmatched administrative expenses required to make sure the county gets back full reimbursement for eligible training expenses.

Claiming Flow

Mendocino County Highlights from FY 2022/2023

- Training Collaborative provided 3,510 hours of training to 4,473 participants from over 100 different agencies
- Topics included: Caregiving with High Needs, Professional Assault Crisis Training, Supporting LGBTQ and Native American Youth in foster care, Trauma and Resilience, Positive Parenting Program and Substance Use and Abuse Harm Reduction, among many others
- Being part of CLPCCD training group expands training opportunities for eligible participants to attend trainings offered by other counties who contract with CLPCCD
