CASE#: OA_2023-0001

DATE FILED: 1/1/2023

OWNER: COUNTY OF MENDOCINO

REQUEST: (1) Review and Consider the Report and Recommendation of the Planning Commission on the Proposed Adoption of Amendments to Division I of Title 20 of Mendocino County Code (the "Inland Zoning Code Update"); (2) Adopt a Resolution Adopting an Addendum to the Environmental Impact Reports for the Mendocino County General Plan and the Ukiah Valley Area Plan for the Inland Zoning Code Update; and (3) Adopt an Ordinance Adopting the Inland Zoning Code Update, Making Amendments to Division I of Title 20 of the Mendocino County Code.

ORDINANCE SUMMARY: Mendocino County proposes a comprehensive update to Division I of Title 20 of the Mendocino County Code (the "Inland Zoning Code"). The purpose of the update (the "Inland Zoning Code Update") is to update the County's regulation of land use and development for consistency with State and Federal law, reflect current uses and practices, create a more user-friendly set of regulations and implement the County's General Plan and Ukiah Valley Area Plan.

Proposed amendments include the repeal of the following Chapters: 20.112 "A-H" Airport Height Combining Districts; 20.128 "AV" Airport Districts; 20.140 "SH" Special Hazards Combining District; 20.148 Supplemental Limitations on Uses; 20.206 Extension of Time for Qualifying Clean Slate/BLUR II Applicants; 20.220 General Plan—Zoning Compatibility; 20.224 Interim Urgency Ordinance Prohibiting New or Expanded Industrial Uses on Pinoleville Rancheria; 20.228 Interim Urgency Ordinance Prohibiting Subdivision of Land Within the North Fort Bragg/Pudding Creek Planned Development Area; and 20.238 Inclusionary Housing.

Proposed amendments include the addition of several new Chapters, as follows: 20.086 "MUNS" Mixed Use North State Street District; 20.087 "MUBST" Mixed Use Brush Street Triangle District; 20.166 Accessory Dwelling Units and Junior Accessory Dwelling Units; 20.170 Moveable Tiny Homes; 20.190 Administration; and 20.234 Affordable Housing and Density Bonuses.

Proposed amendments include amendments to allowable uses in all zoning districts to (1) eliminate Minor Use Permits by moving all uses previously subject to a Minor Use Permit to subject to an Administrative Permit or a Use Permit; and (2) achieve consistency with State Law surrounding Day Care Facilities, Assisted Living Residential Care Facilities, Employee Housing, Low Barrier Navigation Centers, Supportive Housing and Transitional Housing. In addition, a new Commercial Use Type is proposed which would allow Transient Habitation—Low Intensity Camping in certain zoning districts provided there is a primary residential or agricultural use of the property, though the Planning Commission recommended that this use type and related changes not be adopted at this time.

Proposed amendments include clean ups to numerous other Chapters within Division I of Title 20 to (1) implement the changes noted above; (2) reorganize portions to make the Division more user friendly, including additional guidance and graphics related to height, setbacks, signage and parking requirements; and (3) to remove unnecessary or redundant sections. Proposed amendments also include revisions to provisions related to administration of the zoning code, including general plan amendment, zoning amendment, administrative permit, use permit and variance procedures and processes.

A list of chapters proposed for amendment, in addition to chapters revising zoning districts as stated above, is as follows:

- Chapter 20.008 – Definitions
- Chapter 20.016 – Residential Use Types
- Chapter 20.020 – Civic Use Types

PLANNING COMMISSION RECOMMENDATION: The Planning Commission, at their August 15, 2024 meeting, adopted Planning Commission Resolution No. PC_2024-0009 making its report and recommendation to the Board of Supervisors regarding the proposed amendments Inland Zoning Code Update, including specific additional changes as specified in Exhibit A to the Resolution. The full text of the resolution can be found at the following webpage, under the August 15, 2024, meeting of the Planning Commission: <https://www.mendocinocounty.gov/departments/planning-building-services/public-hearing-bodies>.

The Planning Commission recommended that the Board of Supervisors not adopt any changes to the Zoning Code providing for Transient Habitation - Low Intensity Camping as part of the Inland Zoning Code Update, and removed all references to Transient Habitation - Low Intensity Camping from the version of the Inland Zoning Code Update attached to the Planning Commission's resolution.

Exhibit A to Resolution No. PC_2024-0009 includes numerous changes to the Inland Zoning Code Update as originally proposed by Department staff, which are summarized as follows:

a. Chapter 20.008 – Definitions: to (1) add a definition of Battery Energy Storage Systems to account for batteries used in storing and distributing energy, (2) update the definitions of Accessory Dwelling Unit, Efficiency Kitchen and Junior Accessory Dwelling Unit and add definitions of Nonconforming Zoning Condition and Passageway to better match current State law, (3) add clarifying definitions for Dead Storage, Proposed Dwelling, Tandem Parking, Transient Habitation and Water Extraction for Bulk Sale to clarify these phrases as used in the Inland Zoning Code, and (4) eliminate references to minor use permits, which have otherwise been proposed to be changed to use permits or administrative permits.

b. Chapter 20.020 – Civic Use Types: to (1) include Battery Energy Storage Systems as a major impact service and utility use, as this use has already been considered such a use as part of reviewing power generating facilities, and (2) reverse the deletion of Day Care Facility from the Day Care Facility/Small Schools use type, as this deletion would inadvertently have the effect of meaning no Day Care Facility could be established if not in a residence – this change also has the effect of making corresponding changes to the lists of allowed use types in the following chapters: Chapter 20.044 – "S-R" Suburban Residential Districts, Chapter 20.048 – "R-R" Rural Residential District, Chapter 20.052 – "A-G" Agricultural District, Chapter 20.056 – U-R Upland Residential District, Chapter 20.060 – R-L Rangeland District; Chapter 20.064 – F-L Forestland District, Chapter 20.072 – R-1 Single-Family Residential District, Chapter 20.076 – R-2 Two-Family Resi-

that the Director may reduce required parking spaces for electric vehicle charging stations and associated equipment. Government Code section 65850.71, subdivision (d).

p. Chapter 20.190 – Administration: to correct a provision review to refer to the date an application is filed, not
q. Chapter 20.204 – Nonconforming Uses and Structures: to (1) require that expansion of nonconforming structures for the restoration of damaged structures, providing for the restoration; and (2) require that expansion of nonconforming structures obtain a use permit as opposed to an administrative permit reviewed by the Planning Commission as opposed to the
