Re: Support for the Deerwood Cannabis Prohibition Combining District  
Date: November 9, 2018

Dear Members of the Board of Supervisors,

We live in the Lower Deerwood Neighborhood and support the creation of a “Cannabis Prohibition Combining District” for Upper Deerwood. We consider ourselves one neighborhood and are affected by the same impacts.

We want to thank the County for initiating a process for the creation of Combining Districts, and also thank Michael Baker International for the development of the process and creating the proposed changes to the code.

We would also like to acknowledge and thank the Planning Commission for unanimously recommending approval of the Deerwood CPCD at their Oct. 18th hearing.

We urge you to approve the Upper Deerwood Neighborhood (Deerwood) CPCD.  
Thank you,

Gail and Evan Johnson  
Lower Deerwood
