Title IV-E Funding and Structure

Mendocino County 6/20/23

Title IV-E Training Funding Background

- Same federal funding source as Foster Kinship Care Education, Social Work (Bachelor's and Master's Degree) Stipends, Regional Training Academies, etc.
- > CLPCCD's model is different and based on a model developed in 2000 in Ventura County.
 - ➤ Not administered through the state
 - ➤ Contract directly with counties and therefore use the county's federal rate (or proration rate) not state rate
- Currently CLPCCD has contracts in Alameda, Amador, Calaveras, Humboldt, Lake, Mendocino, Solano, and Tuolumne.
 - Monterey, Ventura, and San Francisco use different colleges

Title IV-E Training Requires Cost Sharing

- The Federal Financial Participation (FFP):
 - 75% for most direct training expenses
 - 50% for administrative expenses
- Prorated based on the proportion of federally eligible kids in care in the county (by quarter)

of federally eligible kids

of total kids in care

Feds allow educational institutions to provide "match"

How the reimbursement works

CLPCCD provides
the "match"- the
district's nonfederal/ unmatched
administrative
expenses required
to make sure the
county gets back full
reimbursement for
eligible training
expenses.
