

Dear Chair Haschak:

The City of Ukiah staff just recently became aware of Item 5h regarding the revised 2019-2027 Mendocino County Housing Element on today's agenda. We understand this document is being presented to the Board of Supervisors for adoption and are writing to request you delay review/discussion until the City of Ukiah has had an opportunity to review and provide comments if warranted. Although we understand the urgency to adopt the Mendocino County's 2019-2027 Housing Element, the plan for housing is of critical importance to our community and deserves full engagement with the incorporated jurisdictions and other stakeholders. The City of Ukiah has attempted to provide valuable comment throughout the draft phases of the process. The City of Ukiah would appreciate the continued opportunity to foster this collaborative engagement and be afforded the opportunity to provide input at this final stage.

We respectfully request the County continue the item to the next regular meeting and the City will prioritize our review.

Sincerely,

Sage Sangiacomo

City Manager
