Agric. Preserve Resolution No. 71-500

MENDOCINO COUNTY

AGRICULTURAL PRESERVE CONTRACT

THIS CONTRACT is made and entered into this 12th <sup>th</sup> day of Nov <sup>ember</sup>  
19 71, by and between Donald W. Weger

\_\_\_\_\_, being individually and collectively referred to hereinafter as "OWNER",  
and the COUNTY OF MENDOCINO, a political subdivision of the State of California, hereinafter referred to as  
"COUNTY", who hereby contract and agree as follows:

1. **Ownership.** OWNER represents that they are the owner of certain real property located in the  
County of Mendocino, which property is devoted to agricultural use and is located within an area designated by  
Resolution No. 71-500 of the Board of Supervisors of Mendocino County, hereinafter referred to as "BOARD",  
as an agricultural preserve, said Resolution being incorporated herein by reference.

2. **Property Description.** Said property, which is the land and the property constituting the subject of  
this contract, is described by legal description and parcel number in Exhibit "A", which is attached hereto and  
incorporated herein by reference. A map showing the location of the above-described property is filed in  
Plain File No. 3, at page 42 on the 18 day of Nov, 19 71.

3. **Purpose of Contract.** Both OWNER and COUNTY enter into this contract for their mutual benefit  
and for the purpose of limiting the use of agricultural land so as to preserve such land pursuant and subject to  
the conditions set forth in this contract and the California Land Conservation Act of 1965, as amended, commencing  
with Section 51200 of the Government Code. Both OWNER and COUNTY agree with the findings made by the  
State Legislature in Section 51220 of the Government Code and by the BOARD in Section 20-100 of the Mendocino  
County Code. Both OWNER and COUNTY desire to limit the use of OWNER'S above-described property to  
agricultural and compatible uses in order to discourage the premature and unnecessary conversion of said property  
from agricultural land to urban uses, recognizing that said property has substantial public value as open space  
and that the preservation in agricultural production of said property constitutes an important physical,  
social, esthetic, and economic asset to the COUNTY and to urban developments.

4. **Highest and Best Use.** Both OWNER and COUNTY intend and hereby determine that the highest  
and best use of OWNER'S above-described property during the stated term of this contract and any renewal  
thereof is agricultural use.

5. **Enforceable Restriction.** Both OWNER and COUNTY intend and hereby determine that this  
contract shall be an enforceable restriction within the meaning and for the purposes of Article XXVIII of the  
State Constitution and Section 422, et seq., as amended to date, of the Revenue and Taxation Code.

6. **California Land Conservation Act.** This contract is made and entered into pursuant to the  
California Land Conservation Act of 1965, also known as the Williamson Act (Chapter 7 of Part 1 of Division  
1 of Title 5 of the California Government Code, commencing with Section 51200, as amended to date) and  
is subject to all the provisions thereof and such other provisions as are specifically made applicable to this contract.

Mendocino County

7. Recording of Contract. No later than twenty (20) days after execution, COUNTY shall, pursuant to Section 51248 of the Government Code, record with the Recorder of the County of Mendocino a copy of this contract together with a reference to the map showing the location of the agricultural preserve in which the above-described property lies.

8. Restriction on Use. For the duration of this contract and any renewals thereof, the above-described property shall not be used for any purpose other than the agricultural uses and compatible uses listed in Resolution No. 70-302 of the BOARD which is incorporated herein by reference. No structures shall be erected upon the above described property except as follows: Such structures as may be directly related to and compatible with authorized agricultural uses of the land and residence buildings for such individuals as may be engaged in the management of said land and their families.

9. Designation of Additional Compatible Uses. The BOARD may, from time to time during the term of this contract or any extensions thereof, by resolution, after public hearing, add further compatible uses to those uses listed in the resolution establishing the preserve in which the land is located; provided, however, that the BOARD shall not eliminate, without the written consent of OWNER, a compatible use during the term of this contract or any renewals thereof.

10. Term of Contract. This contract shall be effective commencing on the 29th day of February, 1972, and shall remain in effect for a period of ten (10) years there from and during all extensions of this contract. This contract shall be automatically renewed for a period of one (1) year on the first day of January of each succeeding year during the term hereof, unless notice of nonrenewal is given as provided by Section 51245 of the California Government Code. Upon request by OWNER, the BOARD may authorize OWNER to serve a written notice of nonrenewal, referred to herein as a notice of partial nonrenewal, on a portion of the above-described property, in which case the contract shall automatically be renewed as herein set forth as to the balance of said property. Each one year extension shall be added to the term of this contract so as to commence immediately following the above stated termination date for this contract or the termination date of the most recently added one-year extension, whichever is later in time, to the end that at all times during the continuation of this contract as renewed there shall be a ten-year term of restriction unless notice of nonrenewal has been given. Under no circumstances shall a notice of renewal be required of either party to effectuate the automatic renewal provision of this paragraph.

11. Notice of Nonrenewal. If either the OWNER or COUNTY desires in any year not to renew this contract, that party shall serve written notice of nonrenewal of the contract upon the other party in advance of the annual renewal date of this contract which is the first day of January. Unless such written notice is served by the OWNER at least ninety (90) days prior to said renewal date, or by the COUNTY at least sixty (60) days prior to said renewal date, this contract shall be considered renewed as set forth above.

12. Term Following Notice of Nonrenewal. If COUNTY or OWNER serves notice of intent in any year not to renew this contract, this contract shall remain in effect for the balance of the period remaining since the original execution or the last renewal of this contract, as the case may be.

13. Removal of Land Equivalent to Notice of Nonrenewal. The effect of removal of any real property under this contract from an agricultural preserve shall be the equivalent of a notice of nonrenewal by the COUNTY, and the COUNTY shall, at least sixty (60) days prior to the next renewal date following the removal, serve a notice of non-renewal as provided in California Government Code Section 51245 and record with the Recorder of Mendocino County the notice of non-renewal.

14. Consideration. OWNER shall not receive any payment from COUNTY in consideration of the obligations imposed hereunder, it being recognized and agreed that the consideration for the execution of this contract is the substantial public benefit to be derived therefrom and the advantage which will accrue to OWNER as a result of the effect on the method of determining the assessed value of the real property described herein and due to the imposition of the limitations on its use contained herein.

15. Contract Runs with the Land. This contract shall run with the land described above and shall be binding upon, and inure to the benefit of, all successors in interest to the OWNER.

Mendocino County

16. Division of Land. Whenever the real property under this contract is divided into two or more parcels:

(a) A contract identical to the contract then covering the original parcel shall be executed by the respective owners thereof on each parcel created by the division at the time of the division; the COUNTY and any agency making an order of division shall require, as a condition of the approval of the division, the execution of the aforesaid new contract;

(b) The owner of any parcel may exercise, independent of any other owner of a portion of the divided land, any of the rights of the owner in the original contract, including the right to give notice of non-renewal and to petition for cancellation; the effect of any such action by the owner of a parcel created by the division of land under contract shall not be imputed to the owners of the remaining parcels and shall have no effect on the contract as it applies to the remaining parcels of the divided land.

17. Eminent Domain. When any action in eminent domain for the condemnation of the fee title of the entire parcel of land subject to this contract is filed, or when such land is acquired in lieu of eminent domain for a public improvement by a public agency or person, or whenever there is any such action or acquisition by the federal government or any person, instrumentality, or agency acting under authority or power of the federal government, this contract shall be deemed null and void as to the land actually being condemned or so acquired as of the date the action is filed, and for the purpose of establishing the value of such land, this contract shall be deemed never to have existed. Upon determination of such a proceeding, this contract shall be null and void for all land actually taken or acquired. When such an action to condemn or acquire less than all of a parcel of land subject to this contract is commenced, this contract shall be deemed null and void as to the land actually condemned or acquired and shall be disregarded in the valuation process only as to the land actually being taken, unless the remaining land subject to this contract will be adversely affected by the condemnation, in which case the value of that damage shall be computed without regard to this contract. The land actually taken shall be removed from this contract. Under no circumstances shall land be removed that is not actually taken except as otherwise provided in the California Land Conservation Act of 1965, as amended.

18. City Annexation. On the annexation by a city of any land under this contract, said city shall succeed to all rights, duties, and powers of COUNTY under this contract, unless the land being annexed is within one mile of such city at the time that this contract was initially executed, said city protested the execution of the contract pursuant to Section 51243.5 of the Government Code, and said city states its intent not to succeed in its resolution of intention to annex. If said city does exercise the foregoing option not to succeed, this contract becomes null and void as to the land actually being annexed on the date of annexation; in the event that only part of the land under this contract is within one (1) mile of the city, said option of the city shall extend only to such part.

19. Cancellation. This contract may not be canceled except by mutual agreement between OWNER and COUNTY and only if all the following conditions are met:

(a) The OWNER requests cancellation.

(b) A public hearing is held before the BOARD (or in the case of a city succeeding to the rights, duties, and powers of COUNTY under this contract then the hearing shall be held before its council).

(c) Notice of hearing is given by mail to each owner in the agricultural preserve of land under this contract and publication of notice is made pursuant to Section 6061 of the Government Code.

(d) The BOARD makes clear findings that cancellation is in the public interest and that cancellation is not inconsistent with the purposes of the Land Conservation Act of 1965.

(e) That the reason for the cancellation of the contract is neither the existence of an opportunity for another use of the land involved nor the uneconomic character of an existing agricultural use. A potential alternative use of the land may be considered only if there is no proximate land not subject to a land conservation act contract suitable for the use to which it is proposed the subject land be put. The uneconomic character of the existing use may be considered only if there is no other reasonable or comparable agricultural use to which the land may be put.

Mendocino County

20. Cancellation Fee. Prior to giving tentative approval to the cancellation of this contract, the BOARD or council shall determine and certify to the Auditor of Mendocino County the amount of the cancellation fee which the OWNER must pay the Treasurer of Mendocino County as deferred taxes upon cancellation. That fee shall be an amount equal to at least 50 per cent of the full market value of the land when relieved of the restriction, as found by the Assessor, multiplied by the latest assessment ratio that has been published pursuant to Section 401 of the Revenue and Taxation Code when this contract was initially entered into. The determination of unrestricted value may be made the subject of an equalization hearing.

21. Liquidated Damages. In case of OWNER'S breach of this contract, OWNER shall pay to COUNTY a sum equivalent to 100 per cent of the full market value of the land when relieved of the restriction, as found by the Assessor, multiplied by the latest assessment ratio, which sum shall be deemed to be liquidated damages and which sum shall be presumed to be the amount of damage sustained by COUNTY by OWNER'S breach. OWNER and COUNTY agree that it is necessary to fix the foregoing sum as liquidated damages by virtue of the fact that it would be impractical and extremely difficult to fix the actual damage sustained by COUNTY. This remedy shall in no way impair the enforcement of this contract by injunction or specific performance.

22. Enforcement. COUNTY may bring any action in court necessary to enforce this contract including, but not limited to, an action to enforce the contract by specific performance and injunction. Any conveyance, contract, or authorization, whether oral or written, by OWNER or his successors in interest which would permit use of the above-described property contrary to the terms of this contract, or contrary to the provisions of Resolution No. 70-302 may be declared void by the BOARD; such declaration, as well as the terms and provisions of this contract, may be enforced by COUNTY by an action filed in the Superior Court of COUNTY for the purpose of compelling compliances or restraining breach thereof. It is understood that the enforcement proceedings provided in this contract are not exclusive, and both the OWNER and COUNTY may pursue their legal and equitable remedies.

23. Costs of Litigation. In the event COUNTY shall, without any fault on its part, be made a party to any litigation commenced by or against OWNER, OWNER shall pay all costs together with reasonable attorney's fees incurred by or imposed upon COUNTY by or in connection with such litigation. OWNER shall further pay all costs and reasonable attorney's fees which may be incurred or paid by COUNTY in enforcing the covenants and agreements of this contract.

24. Exculpatory Clause. OWNER shall hold COUNTY harmless from any demand, claim, cause of action, or action for damages involving OWNER'S interest or rights in and to the above-described property. The person or persons signing this contract represent that they are the owners of the above-described property and are entitled to and possess the authority to enter into this contract and to bind said property in accordance with this contract.

25. Disclosure of Facts. OWNER shall provide COUNTY, upon request, all the information concerning OWNER'S agricultural activities upon the above-described property, together with any other information required by COUNTY in order to enable it to determine the eligibility of such land.

26. Severability. It is understood and agreed by the OWNER and COUNTY that, if any of the provisions of this contract shall be invalid under any law, such invalidity shall not invalidate the whole contract, but, rather, this contract shall be construed as if not containing the particular provision held to be invalid, and the rights and obligations of OWNER and COUNTY hereto shall be construed and enforced accordingly.

27. Notice. Any notice given pursuant to this contract may, in addition to any other method authorized by law, be given by United States mail, postage prepaid. Notice to COUNTY shall be addressed as follows:

Clerk of the Board of Supervisors  
County of Mendocino  
Courthouse, Room 112  
Ukiah, California 95482

Notice to OWNER shall be addressed as follows:

Donald W. Weger

Post Office Box 417

Nice, California 95464

Mendocino County

28. Warranty of Title and Description. OWNER hereby warrants and represents as follows:

(a) That paragraph one (1), supra, sets forth the names of all persons and parties holding any record title interest in the land described in Exhibit "A", and

(b) That Exhibit "A" describes only property located within the area designated by the BOARD as an agricultural preserve by the Resolution referred to in paragraph one (1), supra, and

(c) That all persons and parties holding any encumbrance in any portion of the property described in Exhibit "A", including beneficial interests under trust deeds, are set forth below (excluding liens for taxes and special assessments, easements and rights of way which cannot ripen into a fee, and mineral rights which do not include a right of entry on the surface of the land):

<u>NAME</u>	<u>NATURE OF ENCUMBRANCE</u>
None	None

29. Punitive Damages for Collusion. OWNER hereby promises not to allow payments secured by any trust deed or other encumbrance on the aforesaid land to become delinquent for the purpose of avoiding the restrictions of this contract. OWNER further agrees not to engage in any other fraudulent or collusive attempt to avoid such restrictions. Violation of this paragraph shall be deemed fraud and shall subject OWNER to punitive and exemplary damages awarded against him.

IN WITNESS WHEREOF, OWNER and COUNTY have executed this contract on the day first above written.

Hello,

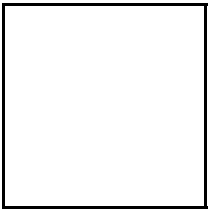

Save the Redwoods League received the attached request for comment on the authorization to serve a notice of partial nonrenewal of 80-acres the Mendocino County Agricultural Preserve Contract designated in Resolution No. 71-500. Our comments are as follows.

We have been working with the landowners of this parcel, known as Rocky Ridge, to transfer it to CA State Parks for inclusion into the adjacent Montgomery Woods State Natural Reserve. Per our signed Purchase & Sale Agreement, the property will be deeded directly from the current owner to CA State Parks, the League is simply facilitating the transaction and paying the purchase price. CA State Parks will receive the property by donation.

This parcel contains the headwaters of Montgomery Creek, which flows through the heart of the park's old growth redwood grove, and is a tributary to the South Fork Big River, important anadromous fish habitat. Old growth redwood and Douglas-fir trees are also found on the property itself, along with a unique rocky outcrop that provides peregrine falcon nesting habitat. With its natural resource values and adjacency to one of Mendocino County's premiere redwood parks, Save the Redwoods League, the landowner, and CA State Parks are committed to seeing Rocky Ridge added to this fabric of protected lands.

Before the property can be transferred to CA State Parks, the Williamson Act Contract encumbering the property must be nonrenewed as the State cannot accept title to a property with any encumbrances. The remainder of the Williamson Act Contract will remain in place, ensuring that the agricultural values the Contract preserves are maintained. We support this authorization for partial nonrenewal as it will facilitate permanent protection of the Rocky Ridge property's unique natural resources for the public to enjoy.

Sincerely,  
Adrianna
