

In 2020, California Wildlife Services killed 24,264 wild native animals statewide, including 56 black bears, 39 mountain lions ~ and 3,252 coyotes! I am appalled the wanton killing of CA wildlife. Surely there exist methods of COVID-existence between wildlife & agricultural interests

I ask that you terminate Mendocino County's contract with the USDA Wildlife Services and its lethal Integrated Wildlife Damage Management (IWDM) Program, and establish a Non-lethal Wildlife Damage Management (NWDM) Program to be administered locally.

Thank you for your consideration.  
Sincerely,  
Virginia Watson, Los Angeles
