

Dear Mendocino County Board of Supervisors,

This email is in support of the Redwood Valley Grange.

As a Grange member, I would like you to consider designating funds from the \$22.8 million towards the Redwood Valley Grange (RVG).

The RVG stepped up to the plate during the October 2017 fire in numerous ways and was a beacon of light during a very traumatic time.

Thank you for your time and consideration.

Sincerely,

Meredyth Reinhard
Redwood Valley
