Mendocino County Behavioral Health

Congratulations! Your proposal to build capacity for the provision of services for youth and young adults with substance use disorders related to opioids and/or stimulants has been selected for funding.

The amount of the award is \$50,000.

We want to schedule contract discussions with grantees starting later this week. In the next day or two, we will be sending a Doodle poll to set the dates and times for these meetings.

Should you have any questions, please reach out to the YOR California team at YORCalifornia@ahpnet.com.

Thank you,
