Interests & Experiences

Special Expertise, Experience, or Interest in This Area?

I've served as a participant in the neighborhood group Ridge Lane Neighbors (Facebook) in the Ingleside district of San Francisco for seven years. During that time I became aware that participating in local community initiatives is not only important but also enjoyable. With Ridge Lane Neighbors I helped with meeting organization, community awareness, contractor crew liaison, event organization, and outreach to the city, the District Supervisor, Department of Public Works, San Francisco Parks Alliance, among others). I have learned to work with patience and dedication toward goals that may take years to materialize. Another asset that might serve me in my work with RV MAC is my experience with people from a variety of backgrounds. I was educated at the European School of Brussels and made friends with peers from a variety of European countries. I speak fluent Dutch and French, good German, and some Italian. I speak some Spanish and it is still my ambition to become more fluent. I want to help preserve the natural environment of Redwood Valley and support its smart development.
