Subject: Road naming

Dear Members of the Board,

As President of the Mendocino County Fire Chief's Association I have been authorized to express our support of Colin Wilson's project that will be brought to you at a future meeting.

He is requesting that the County Code requirements change to allow an easier method for naming the unnamed roads in our districts. His proposal is clearly stated and seemingly easy to implement. All of our fire districts have a very difficult time in our rural areas finding locations of those who have called for our assistance. This delay can often be a matter of life and death.

Our association asks for your support in changing the Codes as presented in the proposal

Thank you.

Sincerely,

Sue Carberry, President

Mendocino County Fire Chief's Association
