Interests & Experiences

Special Expertise, Experience, or Interest in This Area?

I have served one term as a Noyo Harbor District Commissioner. My previous experience on other governmental City, County, special district, statewide boards and commissions, as a construction contractor and project manager has proven valuable to the District and our rookie administrator. My experience as the E.D. of the ARCC and 8+ years as Point Arena City Manager and Special Projects Manager including budget development & implementation, personnel, consultant & construction contracts, grant applications, public works, and the operation of the Arena Cove Boat launch facility have been helpful as well. During my term, I headed up the recruitment of our excellent new Harbormaster and have taken an active role in the improvement of District operations and infrastructure through the District's sustainability plan. We have been successful in building new inter-governmental relations and secured numerous grants to improve and maintain the viability of Noyo Harbor. It has been a productive time. I am successful in working with diverse communities with divergent viewpoints. I own a vessel that is stored, launched and sailed from Noyo Harbor. My family also Kayaks on the Noyo River using the launch ramps. I would be pleased to serve another term as a Noyo Harbor District Commissioner.
