The redwood statue atop Savings Bank of  
Mendocino County, the former Masonic  
Hall (c. 1878), was created by Erick-Jensen  
Abercrombie, a Mason and an employee of  
the local lumber mill. It represents Father  
Time, the Hourglass of Transience, the  
Weeping Maiden, the Anointment of Her  
Hair, the Atacama Branch and the Sacred  
Urn, the Sundered Column, and the Book  
of Light - all of which is symbolic within  
the Masonic Order.
