### **3. PUBLIC EXPRESSION**

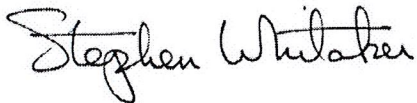

*Members of the public . . . . . If you wish to submit written comments, please provide 10 copies to the Executive Office staff, located in the County Administration Center, Room 1010.*

This request concerns the agenda item for the Library, Museum & Parks, scheduled for 1:30 PM, June 6, 2018. On the last page of the Power Point presentation, one of the recommendations is listed as:

Direct staff to: "Continue to work with stakeholders on the service delivery model."

I would like to know to whom "staff" refers. Since the staff is directed to **continue** to work with "stakeholders", at least some of the stakeholders must be known, and I would like to know the names of those stakeholders. Since the staff is directed to **continue** to work on the "service delivery model", I would like a report on the current status of the service delivery model.

Sincerely,

Stephen Whitaker

Note: Ten copies are to be hand delivered to the Executive Office identified above.
