## MONTHLY SECOND DISTRICT SUPERVISOR REPORT - OCTOBER 2023

---

Hi, I'm Mo Mulheren the Second District Supervisor. Each month the Board members submit a written report that updates the other Board members and the community on the work that we are doing. I would also like to use this as an opportunity to share with you all events I've attended as well as other updates from our community. Here is a list of pertinent meetings and links so that you can look at websites or videos and read about some of the topics that I work on, as always reach out if you have additional questions. MulherenM@MendocinoCounty.Gov 707-391-3664

ABOVE: A TRASH CLEAN UP ON N STATE STREET  
LEFT: J&J PUMPKIN PATCH, WILLITS, CA

October was a busy month with meetings and events and cleaning up some trash in between. I went to Kasie Gray's Pumpkin Patch event for clients in Willits Ca. We are so fortunate to have business opportunities for our local residents right where they live. If you live in the Ukiah area you may have noticed an illegal camper that had an ever growing trash collection on N State Street, in between meetings I was able to get it cleaned up. If you find trash piles please report them so they can get cleaned up. You can use the email [info@mendorecycle.com](mailto:info@mendorecycle.com)

# OCTOBER 2023 - 2ND DIST SUPE UPDATE

The tax sharing ad hoc met three times in the month of October. I hope that we will have an item that we can put in front of the Board early in 2024 for approval of a plan for tax sharing that will work for all four cities and the County. I continue to work with RCHDC, service providers and law enforcement to address the needs of the residents and neighborhood near Orr Creek Commons. I attended the Continuum of Care meeting, a NACO Arts & Culture Commission meeting, an Inland Water Power Commission special meeting, and a meeting called "Our children are medicine: Indian Child Welfare is a share responsibility aimed at raising awareness around Native rights when dealing with the Child Services agency.

## EVENTS & MEETINGS OF INTEREST

The City of Ukiah, the Ukiah Valley Fire Authority (UVFA), and Pano AI, a leader in early wildfire detection, unveiled a new partnership to deploy Pano AI's technology in the City of Ukiah to help safeguard the community from the threat of wildfire. This partnership is Pano AI's first commercial deployment of its AI-driven early wildfire detection program in Northern California

## UKIAH VALLEY FIRE PANO CAMERA EVENT

---

# OCTOBER 2023 - 2ND DIST SUPE UPDATE

---

I attended the 1 Billion Gallon celebration at the City of Ukiah Recycled Water Plant. Work is underway for Phase 4 of this project that will bring recycled water to the west end of Ukiah including several schools and parks. This is a much more beneficial use of our water and I thank the City of Ukiah for continuing to be a local leader in water infrastructure.

(Youth presenter featured below)

The College celebrated Hispanic Heritage month with an event in the Pomo Plaza with local vendors, entertainment and more. It was a well attended community event. (Photo below)

The bottom picture is of my Youth Leadership Group. We've been meeting to schedule volunteer opportunities and have been having some "mock" agenda items. They are really enjoying learning more about the County and local government. All of these kids are volunteers using their own time.

---

# OCTOBER 2023 - 2ND DIST SUPE UPDATE

---

I had several water related meetings with the Russian River Watershed Association which included a tour of the Healdsburg Wastewater Facility and a meeting with the Regional Water Quality Control Board to discuss upcoming conversations surrounding the safety of our water and our waste systems.

I went on a tour with the City of Ukiah staff to look at Phase 4 of the Great Redwood Trail which is a City Grant Funded project that will take the path from Commerce Drive South to Norgard Lane. The Great Redwood Trail Agency met in Healdsburg to interview applicants for the General Manager Position.

I also toured MCAVHN Care & Prevention Network, B2 the homeless shelter, and New Life Clinic in Ukiah. While sometimes serving overlapping clients these agencies offer a variety of services, its important to understand their differences so we can work to address gaps.

I was able to have a tour of the Assesors Office with Katrina Bartolomei to better understand the implementation challenges for the Aumentum program and to see how they are working through them internally.

# OCTOBER 2023 - 2ND DIST SUPE UPDATE

---

I attended a variety of meetings this month that covered everything from the relationship with the City of Ukiah, welcoming our employees at the New Hire Orientation, working on a collaboration with the Re-Entry Stakeholders to ensure a successful transition for inmates, the Director of the Retirement Board to understand possible budget concerns, continued work with the Parks Ad Hoc, Economic Development and Finance Corporation (see tables at the end of my report), Juvenile Justice and Delinquency Prevention, Air BnB and possible revenue enhancement, Budget Ad Hoc, General Government Committee, Measure B and the Behavioral Health Advisory Board.

---

## COMMUNITY EVENTS

---

The job of Supervisor is to make policy decisions that enhance the quality of life for all Mendocino County residents. I try to be attentive and attend any community events that I am invited to. In October I hosted a booth at Ukiah Country Pumpkin Fest, Attended an update at Lake Mendocino with the Army Corp of Engineers and interested community members, Ukiah Valley Trail Group Gala in the Street, Ukiah High School Homecoming events, attended the Hispanic Heritage event at Mendocino College, got to guest teach a PE Class for South Valley Big Picture School, Yoshaany Rahm Community Run/Walk, Downtown Trick or Treat
