Interests & Experiences

Special Expertise, Experience, or Interest in This Area?

I worked at the Mendocino County Museum first as a volunteer and then as an employee from 2012-2017. I have a Master's degree in History and teach History full-time for Mendocino College. My degree includes a specialization in Archival care and the Museum contains important archives. I am familiar with the history that the Mendocino County Museum covers and would love to be part of continuing to preserve and share this history with our county. I have served on the MAB Board for several years now, and acted as Chair for the last year. I am also a member of the Friends of the Museum NonProfit that supports the Museum.
