#### Proposal to Change Our Address Name

C/O Board Members,

Our address is 3201 Ridgewood Road, Willits CA 95490. This address has been fully established since 1966. This address is on several legal family documents. In addition, this address is a fully established location.

We are strongly opposed to the name change for our road. If these changes are adopted, we will incur costs in time and legal fees to correct the errors this name change will cause. We see no reason for this name change or the added burden on our family.

We ask that no name changes to our road be made.

Please feel free to contact my family at any of the following sources:
