Interests & Experiences

Special Expertise, Experience, or Interest in This Area?

I have been a volunteer at the Mendocino Co. Museum for the past 9 years and have worked at accessioning and storage of materials, assisting in setting up and taking down displays, providing tours to the public, served as Chairman of the Museum Advisory board for the past 2 years, served on the committee involved with developing new policies and procedures for the Museum, serving on the committee to develop a strategic plan for the Museum and with 2 other people have been establishing a Friends of the Mendocino Co. Museum group. I have probably donated several hundred hours of volunteer work to the MCM each of my volunteer years. I believe that the MCM is an incredibly special community asset. Our future focus should be to expend the ways the Mendocino County community can utilize and become involved with the Museum, enjoy and learn about our unique heritage and share the stories and knowledge of the materials that are kept at the Museum. I am very interested in continuing my involvement at the Museum. Thanks In my earlier life I owned and operated a small business for 36b years.
