Subject: Request for Board of Supervisors Agenda Item - Amended Conflict of Interest Code

At the December meeting, MCOG's Board of Directors amended its Conflict of Interest Code. I have attached a copy of the resolution that you signed, which passed unanimously. We understand this is subject to approval by the code reviewing body for Mendocino County, i.e. the Board of Supervisors.

This routine amendment makes some needed clean-ups, clarifications and updates to bring our procedures into full compliance, based on current guidance from the Fair Political Practices Commission. My staff report to MCOG is attached for your reference.

Would you please sponsor this matter on the next available Supervisors' agenda for consideration, to be timely for annual submittal of Forms 700. Let me know if anything else is needed, and thanks very much for your assistance.
