Interests & Experiences

Special Expertise, Experience, or Interest in This Area?

I have a deep appreciation for our community's history and the role the cemetery plays in preserving it. Through my work in estate liquidation, I have seen firsthand the importance of helping families honor loved ones and move forward through one of life's final stages. My background in real estate has strengthened my organizational skills and ability to multitask, all of which I believe would allow me to contribute meaningfully to the board's work.
