Office of the Director Department of Motor Vehicles 2415 First Avenue Mail Station Fl01 Sacramento, CA 95818-2606

Dear Director,

As per section 12527 (d)(2) Title 13 CVC, we are requesting exemption of the requirements for Ambulance Driver 12527(d)(1) Title 13 CVC for the following individuals who volunteer with three rural Fire Departments in Mendocino County.

Anderson Valley Fire Department:

Covelo Fire Department:

Elk Fire Department:

THE BOARD OF SUPERVISORS

Each of these individuals are an active volunteer with the sole provider of EMS ground transportation. As volunteers, they are willing to serve as ambulance drivers, but are not prepared to become direct patient care providers.

The three service areas are located within Mendocino County and the unincorporated population is well below the 125,000 person requirement of this section as per the latest federal census.

There is an immediate need to enable the above listed individuals to drive the volunteer ambulance in order to continue to provide locally based EMS services in Anderson Valley, Elk, Covelo and surrounding service areas.

Thank you for your concern and prompt attention to this matter.

Sincerely,

John Haschak, Chair Mendocino County Board of Supervisors
