Interests & Experiences

Special Expertise, Experience, or Interest in This Area?

I work in the Construction Industry, specifically commercial HVAC, and currently serve as the Director of Operation for the Bay Area with the company I work for, Indoor Environmental Services. My interest in participating on the Hopland MAC is to provide an additional voice to our small community; My wife and I moved to Hopland from Santa Rosa in 2018, and we love this community. We want to be involved in our community and continue to get to know more of our neighbors.
