

Goals for Mendocino Public Defender

- a. Ensure high quality representation to our clients
- b. Evaluate the office and institute policies and procedures to maximize efficiency.
- c. Provide training opportunities to the attorneys so that they can improve their litigation skills and competency.
- d. Regularly meet with attorneys and staff so that they can raise issues with me and develop solutions to problems that they have identified.
- e. Work with other county agencies to implement policies and programs to deal with recidivism and mental health issues in the community.
- f. Make myself available to employees of the Public Defenders Office so that they feel comfortable coming to me with issues that affect their ability to represent our clients.
