Covelo Fire Protection District

This letter is to serve as a formal letter to the Mendocino County Board of Supervisors.

The Covelo Fire Protection District is requesting an extension of the remaining balance of 5,540.52 for the PG&E EMS Supply and Tablet Command Ipad Agreement.

I Chief Ruben Rojas take full responsibility for not using the funds prior to 12/31/25, the CFPD has been undergoing changes that has needed my full attention resulting in non-use of the said funds.

If the Extension is approved, I am respectfully requesting an end date of 6/30/26.

Most sincere apologies for the inconvenience.

Thank you

Ruben Rojas
