# Attachment 2 - Master Services and Purchasing Agreement

This Master Services and Purchasing Agreement ("Agreement") is between Axon Enterprise, Inc. ("Axon"), and the Customer listed below or, if no Customer is listed below, the customer on the Quote attached hereto ("Customer"). This Agreement is effective as of the later of the (a) last signature date on this Agreement or (b) date of acceptance of the Quote ("Effective Date"). Axon and Customer are each a "Party" and collectively "Parties". This Agreement governs Customer's purchase and use of the Axon Devices and Services detailed in the Quote Appendix ("Quote"). It is the intent of the Parties that this Agreement will govern all subsequent purchases by Customer for the same Axon Devices and Services in the Quote, and all such subsequent quotes accepted by Customer shall be also incorporated into this Agreement by reference as a Quote. The Parties agree as follows:

#### 1. Definitions.

- 1.1. "Axon Cloud Services" means Axon's web services, including, but not limited to, Axon Evidence, Axon Records, Axon Dispatch, FUSUS services, and interactions between Axon Evidence and Axon Devices or Axon client software. Axon Cloud Service excludes third-party applications, hardware warranties, and my.evidence.com.
- 1.2. "Axon Device" means all hardware provided by Axon under this Agreement. Axon-manufactured Devices are a subset of Axon Devices.
- 1.3. "Quote" means an offer to sell and is only valid for devices and services on the offer at the specified prices. Any inconsistent or supplemental terms within Customer's purchase order in response to a Quote will be void. Orders are subject to prior credit approval. Changes in the deployment estimated ship date may change charges in the Quote. Shipping dates are estimates only. Axon is not responsible for typographical errors in any Quote by Axon, and Axon reserves the right to cancel any orders resulting from such errors.
- 1.4. "Services" means all services provided by Axon under this Agreement, including software, Axon Cloud Services, and professional services.
- 2. <u>Term</u>. This Agreement begins on the Effective Date and continues until all subscriptions hereunder have expired or have been terminated ("Term").
  - 2.1. All subscriptions including Axon Evidence, Axon Fleet, Officer Safety Plans, Technology Assurance Plans, and TASER 7 or TASER 10 plans begin on the date stated in the Quote. Each subscription term ends upon completion of the subscription stated in the Quote ("Subscription Term").
  - 2.2. Upon completion of the Subscription Term, the Subscription Term will automatically renew for an additional 5 years ("Renewal Term"). For purchase of TASER 7 or TASER 10 as a standalone, Axon may increase pricing to its then-current list pricing for any Renewal Term. For all other purchases, Axon may increase pricing on all line items in the Quote by up to 3% at the beginning of each year of the Renewal Term. New devices and services may require additional terms. Axon will not authorize services until Axon receives a signed Quote or accepts a purchase order, whichever is first.
- 3. Payment. Axon invoices for Axon Devices upon shipment, or on the date specified within the invoicing plan in the Quote. Payment is due net 30 days from the invoice date. Axon invoices for Axon Cloud Services on an upfront yearly basis prior to the beginning of the Subscription Term and upon the anniversary of the Subscription Term Payment obligations are non-cancelable. Unless otherwise prohibited by law, Customer will pay interest on all past-due sums at the lower of one-and-a-half percent (1.5%) per month or the highest rate allowed by law. Customer will pay invoices without setoff, deduction, or withholding. If Axon sends a past due account to collections, Customer is responsible for collection and attorneys' fees.
- 4. <u>Taxes</u>. Customer is responsible for sales and other taxes associated with the order unless Customer provides Axon a valid tax exemption certificate.
- 5. <u>Shipping</u>. Axon may make partial shipments and ship Axon Devices from multiple locations. All shipments are EXW (Incoterms 2020) via common carrier. Title and risk of loss pass to Customer upon Axon's delivery to the common carrier. Customer is responsible for any shipping charges in the Quote.
- 6. <u>Returns</u>. All sales are final. Axon does not allow refunds or exchanges, except warranty returns or as provided by state or federal law.

#### 7. Warranty.

7.1. Limited Warranty. Axon warrants that Axon-manufactured Devices are free from defects in workmanship and materials for one (1) year from the date of Customer's receipt, except Signal Sidearm and Axon-manufactured accessories, which Axon warrants for thirty (30) months and ninety (90) days, respectively, from the date of

Customer's receipt. Used conducted energy weapon ("CEW") cartridges are deemed to have operated properly. Extended warranties run from the expiration of the one- (1-) year hardware warranty through the extended warranty term purchased.

- 7.2. Disclaimer. All software and Axon Cloud Services are provided "AS IS," without any warranty of any kind, either express or implied, including without limitation the implied warranties of merchantability, fitness for a particular purpose and non-infringement. Axon Devices and Services that are not manufactured, published or performed by Axon ("Third-Party Products") are not covered by Axon's warranty and are only subject to the warranties of the third-party provider or manufacturer.
- 7.3. Claims. If Axon receives a valid warranty claim for an Axon-manufactured Device during the warranty term, Axon's sole responsibility is to repair or replace the Axon-manufactured Device with the same or like Axon-manufactured Device, at Axon's option. A replacement Axon-manufactured Device will be new or like new. Axon will warrant the replacement Axon-manufactured Device for the longer of (a) the remaining warranty of the original Axon-manufactured Device or (b) ninety (90) days from the date of repair or replacement.
  - 7.3.1. If Customer exchanges an Axon Device or part, the replacement item becomes Customer's property, and the replaced item becomes Axon's property. Before delivering an Axon-manufactured Device for service, Customer must upload Axon-manufactured Device data to Axon Evidence or download it and retain a copy. Axon is not responsible for any loss of software, data, or other information contained in storage media or any part of the Axon-manufactured Device sent to Axon for service.
- 7.4. **Spare Axon Devices**. At Axon's reasonable discretion, Axon may provide Customer a predetermined number of spare Axon Devices as detailed in the Quote ("**Spare Axon Devices**"). Spare Axon Devices are intended to replace broken or non-functioning units while Customer submits the broken or non-functioning units, through Axon's warranty return process. Axon will repair or replace the unit with a replacement Axon Device. Title and risk of loss for all Spare Axon Devices shall pass to Customer in accordance with shipping terms under Section 5. Axon assumes no liability or obligation in the event Customer does not utilize Spare Axon Devices for the intended purpose.
- 7.5. Limitations. Axon's warranty excludes damage related to: (a) failure to follow Axon Device use instructions; (b) Axon Devices used with equipment not manufactured or recommended by Axon; (c) abuse, misuse, or intentional damage to Axon Device; (d) force majeure; (e) Axon Devices repaired or modified by persons other than Axon without Axon's written permission; or (f) Axon Devices with a defaced or removed serial number. Axon's warranty will be void if Customer resells Axon Devices.
  - 7.5.1. To the extent permitted by law, the above warranties and remedies are exclusive. Axon disclaims all other warranties, remedies, and conditions, whether oral, written, statutory, or implied. If statutory or implied warranties cannot be lawfully disclaimed, then such warranties are limited to the duration of the warranty described above and by the provisions in this Agreement. Customer confirms and agrees that, in deciding whether to sign this Agreement, it has not relied on any statement or representation by Axon or anyone acting on behalf of Axon related to the subject matter of this Agreement that is not in this Agreement.
  - 7.5.2. Axon's cumulative liability to any party for any loss or damage resulting from any claim, demand, or action arising out of or relating to this Agreement will not exceed the purchase price paid to Axon for the Axon Device, or if for Services, the amount paid for such Services over the twelve (12) months preceding the claim. Neither Party will be liable for special, indirect, incidental, punitive or consequential damages, however caused, whether for breach of warranty or contract, negligence, strict liability, tort or any other legal theory.
- 7.6. **Online Support Platforms**. Use of Axon's online support platforms (e.g., Axon Academy and MyAxon) is governed by the Axon Online Support Platforms Terms of Use Appendix available at www.axon.com/sales-terms-and-conditions.
- 7.7. Third-Party Software and Services. Use of software or services other than those provided by Axon is governed by the terms, if any, entered into between Customer and the respective third-party provider, including, without limitation, the terms applicable to such software or services located at www.axon.com/sales-terms-and-conditions, if any.

- 7.8. Axon Aid. Upon mutual agreement between Axon and Customer, Axon may provide certain products and services to Customer, as a charitable donation under the Axon Aid program. In such event, Customer expressly waives and releases any and all claims, now known or hereafter known, against Axon and its officers, directors, employees, agents, contractors, affiliates, successors, and assigns (collectively, "Releasees"), including but not limited to, on account of injury, death, property damage, or loss of data, arising out of or attributable to the Axon Aid program whether arising out of the negligence of any Releasees or otherwise. Customer agrees not to make or bring any such claim against any Releasee, and forever release and discharge all Releasees from liability under such claims. Customer expressly allows Axon to publicly announce its participation in Axon Aid and use its name in marketing materials. Axon may terminate the Axon Aid program without cause immediately upon notice to the Customer.
- 8. <u>Statement of Work</u>. Certain Axon Devices and Services, including Axon Interview Room, Axon Channel Services, and Axon Fleet, may require a Statement of Work that details Axon's Service deliverables ("SOW"). In the event Axon provides an SOW to Customer, Axon is only responsible for the performance of Services described in the SOW. Additional services are out of scope. The Parties must document scope changes in a written and signed change order. Changes may require an equitable adjustment in fees or schedule. The SOW is incorporated into this Agreement by reference.
- 9. Axon Device Warnings. See www.axon.com/legal for the most current Axon Device warnings.
- 10. <u>Design Changes</u>. Axon may make design changes to any Axon Device or Service without notifying Customer or making the same change to Axon Devices and Services previously purchased by Customer.
- 11. <u>Bundled Offerings</u>. Some offerings in bundled offerings may not be generally available at the time of Customer's purchase. Axon will not provide a refund, credit, or additional discount beyond what is in the Quote due to a delay of availability or Customer's election not to utilize any portion of an Axon bundle.
- 12. <u>Insurance</u>. Axon will maintain General Liability, Workers' Compensation, and Automobile Liability insurance. Upon request, Axon will supply certificates of insurance.
- 13. <u>IP Rights</u>. Axon owns and reserves all right, title, and interest in Axon-manufactured Devices and Services and suggestions to Axon, including all related intellectual property rights. Customer will not cause any Axon proprietary rights to be violated.
- 14. IP Indemnification. Axon will indemnify Customer against all claims, losses, and reasonable expenses from any third-party claim alleging that the use of Axon-manufactured Devices or Services infringes or misappropriates the third-party's intellectual property rights. Customer must promptly provide Axon with written notice of such claim, tender to Axon the defense or settlement of such claim at Axon's expense and cooperate fully with Axon in the defense or settlement of such claim. Axon's IP indemnification obligations do not apply to claims based on (a) modification of Axon-manufactured Devices or Services by Customer or a third-party not approved by Axon; (b) use of Axon-manufactured Devices and Services in combination with hardware or services not approved by Axon; (c) use of Axon Devices and Services other than as permitted in this Agreement; or (d) use of Axon software that is not the most current release provided by Axon.
- 15. <u>Customer Responsibilities</u>. Customer is responsible for (a) Customer's use of Axon Devices; (b) breach of this Agreement or violation of applicable law by Customer or a Customer end user; (c) disputes between Customer and a third-party over Customer's use of Axon Devices; (d) ensuring Axon Devices are destroyed and disposed of securely and sustainably at Customer's cost; and (e) any regulatory violations or fines, as a result of improper destruction or disposal of Axon Devices.

#### 16. Termination.

- 16.1. For Breach. A Party may terminate this Agreement for cause if it provides thirty (30) days written notice of the breach to the other Party, and the breach remains uncured at the end of thirty (30) days. If Customer terminates this Agreement due to Axon's uncured breach, Axon will refund prepaid amounts on a prorated basis based on the effective date of termination.
- 16.2. By Customer. If sufficient funds are not appropriated or otherwise legally available to pay the fees, Customer may terminate this Agreement. Customer will deliver notice of termination under this section as soon as reasonably practicable.
- 16.3. Effect of Termination. Upon termination of this Agreement, Customer rights immediately terminate. Customer remains responsible for all fees incurred before the effective date of termination. If Customer purchases Axon Devices for less than the manufacturer's suggested retail price ("MSRP") and this Agreement terminates before the end of the Term, Axon will invoice Customer the difference between the MSRP for Axon Devices received, including any Spare Axon Devices, and amounts paid towards those Axon Devices. Only if terminating for non-appropriation, Customer may return Axon Devices to Axon within thirty (30) days of termination. MSRP is the

standalone price of the individual Axon Device at the time of sale. For bundled Axon Devices, MSRP is the standalone price of all individual components.

- 16.4. In the event of any inconsistencies between the terms of Axon's Termination clause and the terms of County's Termination clause shown in Item 19 of the County's General Terms and Conditions above, the terms of County's clause shall prevail to the extent of the inconsistency.
- 17. <u>Confidentiality</u>. "Confidential Information" means nonpublic information designated as confidential or, given the nature of the information or circumstances surrounding disclosure, should reasonably be understood to be confidential. Each Party will take reasonable measures to avoid disclosure, dissemination, or unauthorized use of the other Party's Confidential Information. Unless required by law, neither Party will disclose the other Party's Confidential Information. Unless required by law, neither Party will disclose the other Party's Confidential Information. Unless required by law, neither Party will disclose the other Party's Confidential Information during the Term and for five (5) years thereafter. To the extent permissible by law, Axon pricing is Confidential Information and competition sensitive. If Customer receives a public records request to disclose Axon Confidential Information, to the extent allowed by law, Customer will provide notice to Axon before disclosure. Axon may publicly announce information related to this Agreement.

#### 18. General.

- 18.1. Force Majeure. Neither Party will be liable for any delay or failure to perform due to a cause beyond a Party's reasonable control.
- 18.2. Independent Contractors. The Parties are independent contractors. Neither Party has the authority to bind the other. This Agreement does not create a partnership, franchise, joint venture, Customer, fiduciary, or employment relationship between the Parties.
- 18.3. Third-Party Beneficiaries. There are no third-party beneficiaries under this Agreement.
- 18.4. Non-Discrimination. Neither Party nor its employees will discriminate against any person based on race; religion; creed; color; sex; gender identity and expression; pregnancy; childbirth; breastfeeding; medical conditions related to pregnancy, childbirth, or breastfeeding; sexual orientation; marital status; age; national origin; ancestry; genetic information; disability; veteran status; or any class protected by local, state, or federal law.
- 18.5. Compliance with Laws. Each Party will comply with all applicable federal, state, and local laws, including without limitation, import and export control laws and regulations as well as firearm regulations and the Gun Control Act of 1968.
- 18.6. Assignment. Neither Party may assign this Agreement without the other Party's prior written consent. Non-Content Data includes data about users captured during account management and customer support activities. Non-Content Data does not include Customer Content.
- d. "Personal Data" means any information relating to an identified or identifiable natural person. An identifiable natural person is one who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location data, an online identifier or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity of that natural person.
- e. "Provided Data" means de-identified, de-personalized, data derived from Customer's TASER energy weapon deployment reports, related TASER energy weapon logs, body-worn camera footage, and incident reports.
- f. "Transformed Data" means the Provided Data used for the purpose of quantitative evaluation of the performance and effectiveness of TASER energy weapons in the field across a variety of circumstances.
- <u>Access</u>. Upon Axon granting Customer a subscription to Axon Cloud Services, Customer may access and use Axon Cloud Services to store and manage Customer Content. Customer may not exceed more end users than the Quote specifies. Axon Air requires an Axon Evidence subscription for each drone operator. For Axon Evidence Lite, Customer may access and use Axon Evidence only to store and manage TASER CEW and TASER CAM data ("TASER Data"). Customer may not upload non-TASER Data to Axon Evidence Lite.
- <u>Customer Owns Customer Content</u>. Customer controls and owns all right, title, and interest in Customer Content. Except as outlined herein, Axon obtains no interest in Customer Content, and Customer Content is not Axon's business records. Customer is solely responsible for uploading, sharing, managing, and deleting Customer Content. Axon will only have access to Customer Content for the limited purposes set forth herein. Customer agrees to allow Axon access to Customer Content to (a) perform troubleshooting, maintenance, or diagnostic screenings; and (b) enforce this Agreement or policies governing use of the Axon products.
- <u>Security</u>. Axon will implement commercially reasonable and appropriate measures to secure Customer Content against accidental or unlawful loss, access or disclosure. Axon will maintain a comprehensive information security program to protect Axon Cloud Services and Customer Content including logical, physical access, vulnerability, risk, and configuration management; incident monitoring and response; encryption of uploaded digital evidence; security education; and data protection. Axon agrees to the Federal Bureau of Investigation Criminal Justice Information Services Security Addendum for its digital evidence or records management systems.
- <u>Customer Responsibilities</u>. Customer is responsible for (a) ensuring Customer owns Customer Content; (b) ensuring no Customer Content or Customer end user's use of Customer Content or Axon Cloud Services violates this Agreement or applicable laws; and (c) maintaining necessary computer equipment and Internet connections for use of Axon Cloud Services. If Customer becomes aware of any violation of this Agreement by an end user, Customer will immediately terminate that end user's access to Axon Cloud Services.
  - a. Customer will also maintain the security of end usernames and passwords and security and access by end users to Customer Content. Customer is responsible for ensuring the configuration and utilization of Axon Cloud Services meet applicable Customer regulation and standards. Customer may not sell, transfer, or sublicense access to any other entity or person. Customer shall contact Axon immediately if an unauthorized party may be using Customer's account or Customer Content, or if account information is lost or stolen.
  - b. To the extent Customer uses the Axon Cloud Services to interact with YouTube®, such use may be governed by the YouTube Terms of Service, available at https://www.youtube.com/static?template=terms.

- Axon Body Wi-Fi Positioning. Axon Body cameras may offer a feature to enhance location services where GPS/GNSS signals may not be available, for instance, within buildings or underground. Customer administrators can manage their choice to use this service within the administrative features of Axon Cloud Services. If Customer chooses to use this service, Axon must also enable the usage of the feature for Customer's Axon Cloud Services tenant. Customer will not see this option with Axon Cloud Services unless Axon has enabled Wi-Fi Positioning for Customer's Axon Cloud Services tenant. When Wi-Fi Positioning is enabled by both Axon and Customer, Non-Content and Personal Data will be sent to Skyhook Holdings, Inc. ("Skyhook") to facilitate the Wi-Fi Positioning functionality. Data controlled by Skyhook is outside the scope of the Axon Cloud Services Privacy Policy and is subject to the Skyhook Services Privacy Policy.
- Storage. For Axon Unlimited Device Storage subscriptions, Customer may store unlimited data in Customer's Axon Evidence account only if data originates from Axon Capture or the applicable Axon Device. Axon may charge Customer additional fees for exceeding purchased storage amounts. Axon may place Customer Content that Customer has not viewed or accessed for six (6) months into archival storage. Customer Content in archival storage will not have immediate availability and may take up to twenty-four (24) hours to access.
- Third-Party Unlimited Storage. For Third-Party Unlimited Storage the following restrictions apply: (i) it may only be used in conjunction with a valid Axon Evidence user license; (ii) is limited to data of the law enforcement Customer that purchased the Third-Party Unlimited Storage and the Axon Evidence end user or Customer is prohibited from storing data for other law enforcement agencies; and (iii) Customer may only upload and store data that is directly related to (1) the investigation of, or the prosecution of a crime, (2) common law enforcement activities, or (3) any Customer Content created by Axon Devices or Axon Evidence.
- Location of Storage. Axon may transfer Customer Content to third-party subcontractors for storage. Axon will determine the locations of data centers for storage of Customer Content. If Customer is located in the United States, Canada, or Australia, Axon will ensure all Customer Content stored in Axon Cloud Services remains in the country where Customer is located. Ownership of Customer Content remains with Customer.
- <u>Suspension</u>. Axon may temporarily suspend Customer's or any end user's right to access or use any portion or all of Axon Cloud Services immediately upon notice, if Customer or end user's use of or registration for Axon Cloud Services may (a) pose a security risk to Axon Cloud Services or any third-party; (b) adversely impact Axon Cloud Services, the systems, or content of any other customer; (c) subject Axon, Axon's affiliates, or any third-party to liability; or (d) be fraudulent. Customer remains responsible for all fees incurred through suspension. Axon will not delete Customer Content because of suspension, except as specified in this Agreement.
- Axon Cloud Services Warranty. Axon disclaims any warranties or responsibility for data corruption or errors before Customer uploads data to Axon Cloud Services.
- TASER Data Science Program. Axon will provide a quantitative evaluation on the performance and effectiveness of TASER energy weapons in the field across a variety of circumstances.
- If Customer purchases the TASER Data Science Program, Customer grants Axon, its affiliates, and assignees an irrevocable, perpetual, fully paid, royalty-free, and worldwide right and license to use Provided Data solely for the purposes of this Agreement and to create Transformed Data. Customer shall own all rights and title to Provided Data. Axon shall own all rights and title to Transformed Data and any derivatives of Transformed Data.
- Axon grants to Customer an irrevocable, perpetual, fully paid, royalty-free, license to use to TASER Data Science report provided to Customer for its own internal purposes. The Data Science report is provided "as is" and without any warranty of any kind.
- In the event Customer seeks Axon's deletion of Provided Data, it may submit a request to privacy@axon.com. Where reasonably capable of doing so, Axon will implement the request but at a minimum will not continue to collect Provided Data from Customer.
- Axon Records. Axon Records is the software-as-a-service product that is generally available at the time Customer purchases an OSP 7 or OSP 10 bundle. During Customer's Axon Records Subscription Term, if any, Customer will be entitled to receive Axon's Update and Upgrade releases on an if-and-when available basis.
  - c. The Axon Records Subscription Term will end upon the completion of the Axon Records Subscription as documented in the Quote, or if purchased as part of an OSP 7 or OSP 10 bundle, upon completion of the OSP 7 or OSP 10 Term ("Axon Records Subscription")
  - d. An "Update" is a generally available release of Axon Records that Axon makes available from time to time. An "Upgrade" includes (i) new versions of Axon Records that enhance features and functionality, as solely determined by Axon; and/or (ii) new versions of Axon Records that provide additional features or perform additional functions. Upgrades exclude new products that Axon introduces and markets as distinct products or applications.
  - e. New or additional Axon products and applications, as well as any Axon professional services needed to configure Axon Records, are not included. If Customer purchases Axon Records as part of a bundled

offering, the Axon Record subscription begins on the later of the (1) start date of that bundled offering, or (2) date Axon provisions Axon Records to Customer.

f. Users of Axon Records at the Customer may upload files to entities (incidents, reports, cases, etc) in Axon Records with no limit to the number of files and amount of storage. Notwithstanding the foregoing, Axon may limit usage should the Customer exceed an average rate of one-hundred (100) GB per user per year of uploaded files. Axon will not bill for overages.

Axon Cloud Services Restrictions. Customer and Customer end users (including employees, contractors, agents, officers, volunteers, and directors), may not, or may not attempt to:

- g. copy, modify, tamper with, repair, or create derivative works of any part of Axon Cloud Services;

- <u>After Termination</u>. Axon will not delete Customer Content for ninety (90) days following termination. There will be no functionality of Axon Cloud Services during these ninety (90) days other than the ability to retrieve Customer Content. Customer will not incur additional fees if Customer downloads Customer Content from Axon Cloud Services during this time. Axon has no obligation to maintain or provide Customer Content after these ninety (90) days and will thereafter, unless legally prohibited, delete all Customer Content. Upon request, Axon will provide written proof that Axon successfully deleted and fully removed all Customer Content from Axon Cloud Services.
- **Post-Termination Assistance**. Axon will provide Customer with the same post-termination data retrieval assistance that Axon generally makes available to all customers. Requests for Axon to provide additional assistance in downloading or transferring Customer Content, including requests for Axon's data egress service, will result in additional fees and Axon will not warrant or guarantee data integrity or readability in the external system.
- <u>U.S. Government Rights</u>. If Customer is a U.S. Federal department or using Axon Cloud Services on behalf of a U.S. Federal department, Axon Cloud Services is provided as a "commercial item," "commercial computer software," "commercial computer software documentation," and "technical data", as defined in the Federal Acquisition Regulation and Defense Federal Acquisition Regulation Supplement. - <u>Survival</u>. Upon any termination of this Agreement, the following sections in this Appendix will survive: Customer Owns Customer Content, Privacy, Storage, Axon Cloud Services Warranty, Customer Responsibilities and Axon Cloud Services Restrictions.

# Axon Customer Experience Improvement Program Appendix

1. Axon Customer Experience Improvement Program (ACEIP). The ACEIP is designed to accelerate Axon's development of technology, such as building and supporting automated features, to ultimately increase safety within communities and drive efficiency in public safety. To this end, subject to the limitations on Axon as described below, Axon, where allowed by law, may make limited use of Customer Content from all of its customers to provide, develop, improve, and support current and future Axon products (collectively, "ACEIP Purposes"). However, at all times, Axon will comply with its obligations pursuant to the Axon Cloud Services Terms of Use Appendix to maintain a comprehensive data security program (including compliance with the CJIS Security Policy for Criminal Justice Information), privacy program, and data governance policy, including high industry standards of de-identifying Personal Data, to enforce its security and privacy obligations for the ACEIP. ACEIP has 2 tiers of participation, Tier 1 and Tier 2. By default, Customer will be a participant in ACEIP Tier 1. If Customer does not want to participate in ACEIP Tier 1, Customer can revoke its consent at any time. If Customer wants to participate in Tier 2, as detailed below, Customer can check the ACEIP Tier 2 box below. If Customer does not want to ACEIP Tier 1, Tier 2, or both Tiers.

#### 2. ACEIP Tier 1.

- When Axon uses Customer Content for the ACEIP Purposes, Axon will extract from Customer Content and 2.1. may store separately copies of certain segments or elements of the Customer Content (collectively, "ACEIP Content"). When extracting ACEIP Content, Axon will use commercially reasonable efforts to aggregate, transform or de-identify Customer Content so that the extracted ACEIP Content is no longer reasonably capable of being associated with, or could reasonably be linked directly or indirectly to a particular individual ("Privacy Preserving Technique(s)"). For illustrative purposes, some examples are described in footnote 11. For clarity, ACEIP Content will still be linked indirectly, with an attribution, to the Customer from which it was extracted. This attribution will be stored separately from the data itself, but is necessary for and will be solely used to enable Axon to identify and delete all ACEIP Content upon Customer request. Once de-identified, ACEIP Content may then be further modified, analyzed, and used to create derivative works. At any time, Customer may revoke the consent granted herein to Axon to access and use Customer Content for ACEIP Purposes. Within 30 days of receiving the Customer's request, Axon will no longer access or use Customer Content for ACEIP Purposes and will delete any and all ACEIP Content. Axon will also delete any derivative works which may reasonably be capable of being associated with, or could reasonably be linked directly or indirectly to Customer. In addition, if Axon uses Customer Content for the ACEIP Purposes, upon request, Axon will make available to Customer a list of the specific type of Customer Content being used to generate ACEIP Content, the purpose of such use, and the retention, privacy preserving extraction technique, and relevant data protection practices applicable to the Customer Content or ACEIP Content ("Use Case"). From time to time, Axon may develop and deploy new Use Cases. At least 30 days prior to authorizing the deployment of any new Use Case, Axon will provide Customer notice (by updating the list of Use Case at https://www.axon.com/aceip and providing Customer with a mechanism to obtain notice of that update or another commercially reasonable method to Customer designated contact) ("New Use Case").
- 2.2. Expiration of ACEIP Tier 1. Customer consent granted herein will expire upon termination of the Agreement. In accordance with section 1.1.1, within 30 days of receiving the Customer's request, Axon will no longer access or use Customer Content for ACEIP Purposes and will delete ACEIP Content. Axon will also delete any derivative works which may reasonably be capable of being associated with, or could reasonably be linked directly or indirectly to, Customer.
- 3. <u>ACEIP Tier 2</u>. In addition to ACEIP Tier 1, if Customer wants to help further improve Axon's services, Customer may choose to participate in Tier 2 of the ACEIP. ACEIP Tier 2 grants Axon certain additional rights to use Customer Content, in addition to those set forth in Tier 1 above, without the guaranteed deployment of a Privacy Preserving Technique to enable product development, improvement, and support that cannot be accomplished with aggregated, transformed, or de-identified data.

□ Check this box if Customer wants to help further improve Axon's services by participating in ACEIP Tier 2 in addition to Tier 1. Axon will not enroll Customer into ACEIP Tier 2 until Axon and Customer agree to terms in writing providing for such participation in ACEIP Tier 2.

<sup>&</sup>lt;sup>1</sup> For example; (a) when extracting specific text to improve automated transcription capabilities, text that could be used to directly identify a particular individual would not be extracted, and extracted text would be disassociated from identifying metadata of any speakers, and the extracted text would be split into individual words and aggregated with other data sources (including publicly available data) to remove any reasonable ability to link any specific text directly or indirectly back to a particular individual; (b) when extracting license plate data to improve Automated License Plate Recognition (ALPR) capabilities, individual license plate characters would be extracted and disassociated from each other so a complete plate could not be reconstituted, and all association to other elements of the source video, such as the vehicle, location, time, and the surrounding environment would also be removed; (c) when extracting audio of potential acoustic events (such as glass breaking or gun shots), very short segments (<1 second) of audio that only contains the likely acoustic events would be extracted and all human utterances would be removed.
