Dear Mr. Shaver:

The newly formed Redwood Valley Municipal Advisory Council (RVMAC) met on July 5, 2016, and reviewed the latest draft of the policy, "Formation/Operation of Municipal Advisory Councils." We appreciate that prior comments from Redwood Valley residents were taken into account in crafting a policy that is broad enough to encompass the unique character of MACs throughout Mendocino County. This ability to tailor each MAC to the will of communities such as Redwood Valley as to composition and operating style should serve to encourage membership and participation in the County's MACs.

Thank you for the opportunity to comment. The RVMAC supports the current version of the MAC policy.

Respectfully,

Christine Boyd, Chair, Redwood Valley MAC
