**Subject:** OPPOSE USE PERMITS IN NEIGHBORHOODS

To the Mendocino County Board of Supervisors,

I really appreciate all of the protections from commercial cannabis operations that the County has put in place for our neighborhoods.

I personally have seen the negative effects such indoor grows can produce in a home and the surrounding neighborhood.

Ukiah is a very special place to live and raise a family and I am very concerned about the negative consequences of such indoor commercial grows. All of our neighborhoods are a vital part of our community and hopefully will continue to thrive as healthy, safe places to live.

Thank you for your consideration to oppose use permits in neighborhoods.

Respectfully,
