

MEMORANDUM

Mendocino County

Department of Transportation

DATE: 4/15/26
TO: Executive Office
FROM: Jason Wise, Deputy Director of Land Improvement
SUBJECT: April 2026 Fee Hearing

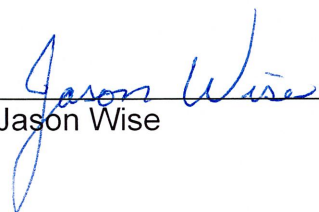

To whom this may concern,

The Department of Transportation charges fees for various services, including encroachment and transportation permits, airport related fees for landing and hangar leases, and fees for land surveying and development.

These latest fee changes reflect a "supervisor rate" developed by the Executive Office that better reflects the costs to the County from staff work in these areas. Most fees have decreased by a small amount (~10%) and a few increased by a small amount.

If you need any additional information or have questions regarding these changes, please call me at 463-4363.

Thank you,

Jason Wise
