## Special Expertise, Experience, or Interest in This Area?

---

I have worked as a land use/natural resource attorney for most of my career. I have worked in both the public and private sectors. I spent five years with Humboldt county Counsel as their land use attorney. While there, I represented the air district in several appeals. I spent 8 years with Cal Fire as their Chief Legal Counsel. I have a background in CEQA, including air quality issues. I am currently self employed, primarily doing estate planning but I do have several land use cases.
