 BHRS Fee Methodology

Behavioral Health & Recovery Services is requesting the following fee changes:

- I. Mental Health Services – Increasing from \$2.61 per minute to \$3.00 per minute
- II. Linkage Case Management Services – Increase from \$2.20 per minute to \$2.70 per minute
- III. Medication Support Services – Increasing from \$5.40 per minute to \$6.21 per minute.

These increases will bring us up to the average cost that we are paying our local, contracted providers:

Fee Schedule for BHRS				FY22.23 Contracted Provider Rates							Average Provider Rate FY22.23	BHRS Proposed Rate Change to Provider Average
Outpatient Services	Current County Per Minute Rate	Proposed County Per Minute Rate	% Increase	RQMC Rates	MCAVHN Rates	MCHC Rates	MCYP Rates	RCS Rates	Tapestry Rates

Medication Support Services	\$ 5.40	\$ 6.21	15%	\$ 6.21						\$ 6.21	\$ -	
Crisis Services	\$ 3.88	\$ 3.88	0%					\$ 3.60		\$ 3.60		

Unlike other county departments, our fees are guided by mandates that come from the state, so we are unable to utilize the fee methodology workbook to create fee proposals. We hope that by comparing our fee changes to the current approved rates that our contracted providers are utilizing, we are effectively demonstrating the need and reasoning behind the proposed increases.

Thank you,
