Special Expertise, Experience, or Interest in This Area?

Twenty years in Social Services programs ranging through all aspects of the programs therein. This work has included guiding families through work programs, assisting with parenting techniques, facilitating family meetings and Family Empowerment Groups, as well as supporting families address and deal with significantly challenging situations. I have in-depth experience with families working with children that are not biologically related. I coached cheerleading through the Ukiah Lions program for 8 years working with girls in the community ranging in age from 8 years up to 15. I have also raised two children in the Mendocino County community starting in Covelo and now in Ukiah, giving me a perspective of both rural and in Ukiah.
