***Pursuant to Government Code §29553(e)(1) and (2) added by AB 143 (Chapter 79, Statute 2021):**

To the extent a county is unable to provide data on its actual revenue loss, the county shall provide a detailed description of how it calculated the revenue loss, report on actual amounts for the most recent year in which they collected with their estimate of the amount along with their methodology of calculation, and report this information by category instead of each of the individual 23 code sections repealed by Chapter 92 of the Statutes of 2020.

To the extent that the local court collects any of the fees repealed by this act on behalf of the county, the court shall provide the three-year revenue collection data to the county upon request.

If either of the above provisions apply to your county, please provide the detailed and complete information in the space below:
