I have an undergrad in mathematics, masters in Financial Engineering and long background in finance and marketing. I have an analytical mind that can help a good deal with anything revolving around a spreadsheet. I worked with Adventist Health for a few weeks in finance at the beginning of 2020 so I have a more than average knowledge of the healthcare resources in Mendocino. I am also a consumer of mental health services. I have Bipolar Disorder and am on social security disability for my mental illness. I have a very strong knowledge of all the needs mental health services consumers have.
