RE: Investment in Mental Health Wellness Grant Program for Children and Youth
Initial Allocation Letter (California Code of Regulations, Title 4, Sections 7313(y) and 7320)
Third Funding Round

Dear Ms. Miller:

Thank you for submitting an application for a grant in the third funding round of the Investment in Mental Health Wellness Grant Program for Children and Youth (Program) administered by the California Health Facilities Financing Authority (Authority). We appreciate the time and effort invested into preparing the application, and we thank you for your patience throughout the review process.

Authority staff completed evaluation of all applications according to the evaluation criteria contained in the Program regulations, and this letter serves to notify applicants of their Initial Allocations, as required under Section 7320 of the Program regulations.

Accordingly, we are pleased to present you with the Initial Allocation for your county as set forth in the chart below, subject to reductions as may occur following final staff verification of eligibility of all project costs.

Program	Amount Requested	Initial Allocation
Crisis Residential Treatment Program	\$ 1,971,948.00	\$ 1,860,243.00 ¹

¹ The Authority has deemed some costs ineligible and reduced the amount pursuant to Sections 7315 of the Program regulations. Detailed information will be provided upon request.

Pursuant to the Program regulations, if you wish to appeal your Initial Allocation, the Lead Grantee as identified in the application, must submit an appeal to the Authority's Executive Director within five calendar days of the date of this letter. As a reminder, no Applicant may appeal an Initial Allocation made to another Applicant. Please refer to Section 7321 of the Program regulations for more information regarding the appeal process.

Please be advised that, depending upon the outcome of other appeals asserted during the appeal process, the Initial Allocation recommendation in this letter may be changed or eliminated in its entirety. The Authority will advise you in the event this occurs.

We plan to present Initial Allocations to the Authority for Final Allocations² at the February 24, 2022, Authority meeting. As part of the grant award process, representatives of your organization are requested to be present at the meeting to answer project-related questions from Authority members.

Please confirm by February 1, 2022 that you accept the Initial Allocation to the County of Mendocino for the proposed project and that you have sufficient funds to cover all costs associated with the project that exceed the Initial Allocation.

Please contact Kylie Stasko, Grant Officer, at Kylie.Stasko@treasurer.ca.gov, with any questions or if there have been any material changes to your proposed project that may affect the scope (for example, if you have decided not to pursue your project following receipt of Initial Allocation or if you have decided to reduce the scope of services).

Sincerely,

Carolyn Aboubechara
Deputy Executive Director

² The term "Final Allocation" is set forth in California Code of Regulations, Title 4, Division 10, Sections 7313(q) and 7322.
