

RESOLUTION NO. 26-090

RESOLUTION OF THE MENDOCINO COUNTY BOARD OF SUPERVISORS AUTHORIZING THE PROCESSING OF A CONSOLIDATED COASTAL DEVELOPMENT PERMIT BY THE CALIFORNIA COASTAL COMMISSION FOR THE CALIFORNIA MARINE SANCTUARY FOUNDATION (CMSF) TO INSTALL MARINE PROTECTED AREA (MPA) SIGNS ALONG THE CALIFORNIA COAST, INCLUDING THREE (3) LOCATIONS IN MENDOCINO COUNTY'S LOCAL COASTAL PROGRAM (LCP) JURISDICTION AND ONE (1) LOCATION WHERE JURISDICTION IS BISECTED BETWEEN THE COUNTY AND COASTAL COMMISSION, BETWEEN SEASIDE BEACH AND POINT ARENA

WHEREAS, California Public Resources Code section 30601.3 allows for the California Coastal Commission to process and act upon a consolidated Coastal Development Permit application for projects in which the Coastal Development Permit authority is shared by a local government and the California Coastal Commission; and

WHEREAS, Public Resources Code section 30601.3 requires that the applicant, the local government, and the California Coastal Commission agree to the consolidation; and

WHEREAS, the proposed project would involve the installation of Marine Protected Area signs along the California coast, including three (3) locations in Mendocino County's Local Coastal Program (LCP) jurisdiction and one (1) location where jurisdiction is bisected between the County and Coastal Commission, between Seaside Beach and Point Arena (the "Project"); and

WHEREAS, pursuant to Public Resources Code Section 30601.3, consolidation may only proceed where public participation is not substantially impaired by the consolidation; and

WHEREAS, public participation will not be substantially impaired because CMSF will submit a consolidated coastal development permit application to the California Coastal Commission, and the Commission will hold a public hearing, which may be attended by all interested parties (by either being present virtually or in-person during a properly noticed California Coastal Commission meeting or by timely submitting comments in advance of a meeting). Further, the consolidation of the permit process will allow for the Project to be evaluated in its entirety as opposed to two entities reviewing different segments of the Project at different times.

NOW, THEREFORE, BE IT RESOLVED that the Mendocino County Board of Supervisors authorizes the California Coastal Commission to accept and process a consolidated Coastal Development Permit application for CMSF for the Project, finding that pursuant to Public Resources Code Section 30601.3, consolidation for the Project is appropriate as public participation will not be substantially impaired by the consolidation.
