

RESOLUTION NO. 25-061

RESOLUTION OF THE MENDOCINO COUNTY BOARD OF SUPERVISORS AUTHORIZING THE PROCESSING OF A CONSOLIDATED EMERGENCY COASTAL DEVELOPMENT PERMIT AND FOLLOW-UP COASTAL DEVELOPMENT PERMIT BY THE CALIFORNIA COASTAL COMMISSION FOR THE CALIFORNIA DEPARTMENT OF TRANSPORTATION TO CONSTRUCT A BEACH REVETMENT AND ASSOCIATED INFRASTRUCTURE AT THE WESTPORT EMERGENCY LANDSLIDE REPAIR ON STATE ROUTE 1

WHEREAS, the Coastal Act was amended by Senate Bill 1843 effective January 1, 2007, which allows for the California Coastal Commission to process and act upon a consolidated Coastal Development Permit application for projects in which the Coastal Development Permit authority is shared by a local government and the California Coastal Commission; and

WHEREAS, SB 1843 requires that the applicant, the local government, and the California Coastal Commission agree to the consolidation; and

WHEREAS, the proposed project, LCP_2025-0002, is to construct a coastal rock revetment at the toe of the slope to help minimize coastal erosion and mass wasting on the bluff face below State Route 1, between postmiles 75.0 and 76.5 near Westport, to address the immediate threat to State Route 1 and associated facilities (the "Project"), and the Project includes areas within both the County's Coastal jurisdiction and that of the Coastal Commission; and

WHEREAS, pursuant to Public Resources Code Section 30601.3, added by SB 1843, consolidation may only proceed where public participation is not substantially impaired by the consolidation; and

WHEREAS, public participation will not be substantially impaired because the California Coastal Commission will hold a public hearing, which may be attended by all interested parties (by either being present virtually or in-person during a properly noticed California Coastal Commission meeting or by timely submitting comments in advance of a meeting) and the consolidation of the permit process will allow for the Project to be evaluated in its entirety.

NOW, THEREFORE, BE IT RESOLVED that the Mendocino County Board of Supervisors authorizes the California Coastal Commission to accept and process a consolidated Coastal Development Permit application for the California Department of Transportation for the Project at the Westport Emergency Landslide area on State Route 1, finding that pursuant to Public Resources Code Section 30601.3, consolidation for the Project is appropriate as public participation will not be substantially impaired by the consolidation.
