## GRANT AGREEMENT

Fiscal Year 2023-2024 (Moyer Year 26)

### General Terms and Conditions:

1. **Amendment:** No amendment or variation of the terms of this Grant Agreement shall be valid unless made in writing, signed by the parties, and approved as required. No oral understanding or agreement not incorporated in the Grant Agreement is binding on any of the parties.
2. **Americans with Disabilities Act (ADA) Language:** The Grantee must ensure that products and services submitted to California Air Resources Board (CARB), uploaded, or otherwise provided to CARB by the Grantee and/or its sub-contractors, sub-grantees (hereinafter referred to as sub-awardees) under this Grant, as specified in Exhibit A (collectively, the "Work"), comply with Web Content Accessibility Guidelines 2.0, levels A and AA, and otherwise meet the accessibility requirements set forth in California Government Code Sections 7405 and 11135, Section 202 of the federal Americans with Disabilities Act (42 U.S.C. § 12132), and Section 508 of the federal Rehabilitation Act (29 U.S.C. § 794d) and the regulations promulgated thereunder (36 C.F.R. Parts 1193 and 1194) (collectively, the "Accessibility Requirements"). For any Work provided to CARB in PDF format, the Grantee shall also provide an electronic version in the original electronic format (for example, Microsoft Word or Adobe InDesign).  
CARB may request documentation from the Grantee of compliance with the requirements described above and may perform testing to verify compliance. The Grantee agrees to respond to and resolve any complaint brought to its attention regarding accessibility of deliverables provided under this Grant.

Deviations from the Accessibility Requirements are permitted only by written consent by CARB.

3. **Assignment:** This grant is not assignable by the Grantee either in whole or in part, without the consent of CARB in the form of a formal written amendment.
4. **Audit:** Grantee agrees that CARB, the Department of General Services, Department of Finance, the California State Auditor, or their designated representative shall have the right to review and to copy any records and supporting documentation pertaining to the performance of this Grant and all State funds received. The Grantee agrees to maintain such records for possible audit for a minimum of three (3) years after the term of this Grant is completed, unless a longer period of records retention is stipulated. The Grantee agrees to allow the auditor(s) access to such records during normal business hours and to allow interviews of any employees who might reasonably have information related to such records. Further, the Grantee agrees to include similar right of the State to audit records and interview staff in any Grant or Contract related to performance of this Agreement.
5. **Availability of funds:** It is mutually agreed that if the Budget Act of the current year and/or any subsequent years covered under this grant does not appropriate sufficient funds for the program, this grant shall be of no further force and effect. In this event, the State shall have no liability to pay any funds whatsoever to Grantee or to furnish any other considerations under this grant and Grantee shall not be obligated to perform any provisions of this grant.
6. **Compliance with law, regulations, etc.:** The Grantee agrees that it will, at all times, comply with and require its sub awardees to comply with all applicable federal, State and local laws, rules, guidelines, regulations, and requirements.
7. **Computer software:** The Grantee certifies that it has appropriate systems and controls in place to ensure that State funds will not be used in the performance of this Grant Agreement for the acquisition, operation, or maintenance of computer software in violation of copyright laws.

8. **Conflict of interest:** The Grantee certifies that it is in compliance with applicable State and/or federal conflict of interest laws.
9. **Disputes:** The Grantee shall continue with the responsibilities under this Grant Agreement during any dispute. Grantee staff or management may work in good faith with CARB staff or management to resolve any disagreements or conflicts arising from implementation of this Grant Agreement. However, any disagreements that cannot be resolved at the management level within 30 days of when the issue is first raised with CARB staff shall be subject to resolution by the CARB Executive Officer, or his designated representative. Nothing contained in this paragraph is intended to limit any of the rights or remedies that the parties may have under law.
10. **Environmental justice:** In the performance of this Grant Agreement, the Grantee shall conduct its programs, policies, and activities that substantially affect human health or the environment in a manner that ensures the fair treatment of people of all races, cultures, and income levels, including minority populations and low-income population of the State.
11. **Fiscal management systems and accounting standards:** The Grantee agrees that, at a minimum, its fiscal control and accounting procedures will be sufficient to permit tracking of grant funds to a level of expenditure adequate to establish that such funds have not been used in violation of State law or this Grant Agreement. Unless otherwise prohibited by State or local law, the Grantee further agrees that it will maintain separate Grant award accounts in accordance with generally accepted accounting principles.
12. **Force majeure:** Neither CARB nor the Grantee must be liable for or deemed to be in default for any delay or failure in performance under this Grant Agreement or interruption of services resulting, directly or indirectly, from acts of God, enemy or hostile governmental action, civil commotion, strikes, government declaration of emergency, national or State declared pandemics, lockouts, labor disputes, fire, flood, earthquakes, or other physical natural disaster. If either party intends to

Exhibit A

invoke this clause to excuse or delay performance, the party invoking the clause must provide written notice to the other party immediately but no later than within fifteen (15) calendar days of the intent to invoke the clause and reasons that the force majeure event is preventing that party from or delaying that party in performing its obligations under this grant. CARB may terminate this Grant Agreement immediately in writing without penalty in the event Grantee invokes this clause.

If the Grant Agreement is not terminated by CARB pursuant to this clause, upon completion of the event of force majeure, the Grantee must as soon as reasonably practicable recommence the performance of its obligations under this Grant Agreement. The Grantee must also provide a revised schedule to minimize the effects of the delay caused by the event of force majeure. An event of force majeure does not relieve a party from liability for an obligation which arose before the occurrence of that event.

13. **Governing law and venue:** This Grant Agreement is governed by and shall be interpreted in accordance with the laws of the State of California. CARB and the Grantee hereby agree that any action arising out of this Grant Agreement shall be filed and maintained in the Superior Court in and for the County of Sacramento, California, or in the United States District Court in and for the Eastern District of California. 2. Electric Vehicle Infrastructure Training Program (EVITP) Certification Numbers of each EVITP certified electrician that will install electric vehicle charging infrastructure or equipment.

Evidence such as Certification Numbers are not required to be obtained by Grantee if AB 841 requirements do not apply to a project.

Prior to remitting payment to a sub-awardee, Grantee is responsible for collecting all AB 841 Certifications to ensure the project did comply with all AB 841 (2020) requirements and shall retain Certification Numbers in accordance with the Grantee's records retention schedule.

The requirements of this section do not apply to any of the following:

- (1) Electric vehicle charging infrastructure installed by employees of an electrical corporation or local publicly owned electric utility.
- (2) Electric vehicle charging infrastructure funded by moneys derived from credits generated from the Low Carbon Fuel Standard Program (Subarticle 7 (commencing with Section 95480) of Article 4 of Subchapter 10 of Chapter 1 of Division 3 of Title 17 of the California Code of Regulations).

17. **Independent contractor:** The Grantee, and its sub-awardees, agents, and employees, if any, in their performance of this Grant Agreement, shall act in an independent capacity and not as officers, employees or agents of CARB.
18. **Nondiscrimination:** During the performance of this Grant Agreement, the Grantee and its sub-awardees shall not unlawfully discriminate against, harass, or allow harassment against any employee or applicant for employment because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age (over 40), sexual orientation, or veteran or military status, or allow denial of family-care leave, medical-care leave, or pregnancy-disability leave. The Grantee and its sub-awardees shall ensure that the evaluation and treatment of their employees and applicants for employment are free of such discrimination and harassment. The Grantee and its sub-awardees shall comply with the provisions of the Fair Employment and Housing Act (Gov. Code section 12900 et seq.) and the applicable regulations promulgated thereunder (California Code of Regulations, title 2, section 11000 et seq.). The applicable regulations of the Fair Employment and Housing Commission implementing Government Code section 12990 (a)-(f), set forth in Chapter 5 of Division 4.1 of title 2 of the California Code of Regulations, are incorporated into this Agreement by reference and made a part hereof as if set forth in full. The Grantee and its sub-awardees shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement.

21. **Prevailing wages and labor compliance:** The Grantee agrees to monitor all agreements subject to reimbursement from this Grant Agreement to ensure that the provisions of Labor Code Sections 1720-1861 are being met by sub-awardees.
22. **Professionals:** The Grantee agrees that only licensed professionals will be used to perform services under this Grant Agreement where such services are called for and licensed professionals are required for those services under State law.
23. **Severability:** If a court of competent jurisdiction holds any provision of this Grant Agreement to be illegal, unenforceable, or invalid in whole or in part for any reason, the validity and enforceability of the remaining provisions, or portions of those provisions, will not be affected.
24. **Term:** This Grant Award shall be effective upon full execution of this Grant Agreement and shall continue in full force and effect until all conditions of the Grant Agreement have been met.
