Esteemed Board Members,

I/we are in opposition to the proposed name change from Ridgewood Road to Old Boy Scout Road as specified in the September 1, 2020, Memorandum directed to you signed by Russell Ford, County Planning and Building Services (PBS).

The duplicate address that requires correction noted in the Memorandum was created in error by PBS staff and, its remedy, should not be visited on the balance of the parcels which use our private road to access our parcel.

We encourage you to recognize the burden this change will have on me/us and will create added confusion and costs to me/us.

I/we urge you to not adopt the proposed name change Old Boy Scout Road.

Sincerely,

Nola Hontou-Marshall
