

NO TO THE 10% EXPANSION. you have disrespected the majority of the people you work for in favor of the greedy corporate model that is going to fail, but only after reeking havoc on our county and our way of life.

We will not forget or recover from this travesty for years. You could of prevented this divide by removing the expansion and keeping the remainder of Phase 3, but you are siding with greed.

SHAMEFUL

Charlotte Beaumont

District 3 with the unfortunate luck to live next to a Henry's Original corporate grow.
