Re: Support for the Boonville Road Woodyglen Lane Cannabis Prohibition Combining District

Dear Members of the Board of Supervisors,

I am a property owner at 1161 Boonville rd. ( Woodyglen Lane ) proposed Cannabis Protection Combining District and I wholeheartedly support the creation of this district.

Our neighborhood appreciates the process the county initiated for the creation of these Combining Districts & the involvement of Michael Baker International in successfully creating proposed changes to the code. A special thank you to the planning commission for unanimously recommending the approval of this CPCD.

Please approve the Boonville Road Woodyglen CPCD and implementation of this district before the conclusion of 2018!

Thank You,

Fred Miller
