Interests & Experiences

Special Expertise, Experience, or Interest in This Area?

My experience is rooted in Elementary Education (K-8) as a teacher. I have an undergraduate degree in Child Development, a Graduate degree in Education and MS Teaching Credential. I have taught Child Development courses at Sacramento State University and currently at Mendocino College. My interest in joining this council is to foster a collaborative partnership with local child care programs and the families and staff that lead them. I hope to support the local workforce needs through the Child Development program at Mendocino College. With this collaborative work, our students will be better equipped to meet the needs of the community.
