WHEREAS, pursuant to Government Code Section 6586.5, notice was published at least five days prior to the adoption of this Resolution at a public hearing, which was duly conducted by this Board of Supervisors concerning the significant public benefits of SCIP and the financing of the Improvements and the public capital improvements to be paid for with the proceeds of the Fees;

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of the County of Mendocino as follows:

Section 1. This Resolution shall constitute full "local approval," under Section 9 of the Joint Powers Agreement, for the issuance of bonds by the Authority from time to time in accordance herewith and the issuance of any refunding bonds therefor.

Section 2. The Agency hereby consents to the conduct of special assessment proceedings by the Authority in connection with SCIP pursuant to the 1913 Act and the issuance of Local Obligations under the 1915 Act on any property within the Proposed Boundaries; provided, that:

(1) Such proceedings are conducted pursuant to one or more Resolutions of Intention in substantially the form of the ROI; and

(2) The Participating Developers, who shall be the legal owners of such property at the time of the formation of the Assessment District, execute a written consent to the levy of assessments in connection with SCIP by the Authority and execute an assessment ballot in favor of such assessment in compliance with the requirements of Section 4 of Article XIID of the State Constitution.

Section 3. The Agency hereby consents to the conduct of proceedings by the Authority under the Mello Roos Act to form CFDs with boundaries that shall be coterminous with the Agency's official boundaries of record at the time of such proceedings or any portion thereof (the "Proposed Boundaries"), and to authorize a special tax and to issue bonds with respect thereto; provided that the Participating Developers, who shall be the legal owners of such property at the time of formation of the CFD, execute a written consent to the levy of special tax in connection with SCIP by the Authority and execute a ballot in favor of the formation of such CFD and the Mello-Roos Act. The Agency approves the use of the local goals and policies adopted by the Authority under Section 53312.7 of the Mello-Roos Act in connection with the formation of CFDs.

Section 4. CFDs formed by the Authority may finance any or all of the facilities, fees and services authorized under the Mello-Roos Act. The appropriate officials and staff of the Agency are hereby authorized and directed to cooperate with the Authority and the Authority's special tax consultant and other consultants to determine facilities, fees and services to be financed within each CFD and to calculate the appropriate level of the special tax to fund the Services for each CFD in connection with initial formation and in connection with the annual levy. The facilities are referred to herein as the "Improvements," and the Improvements to be owned by the Agency are referred to as the "Agency Improvements." The Fees paid or to be paid to the Agency are referred to as the "Agency Fees". The Services funded are referred to as "Services", and Services to be provided by the Agency are referred to as the "Agency Services".

Improvements, Fees or Services to be owned, used or provided by another local agency (a “Third Party Local Agency”), the Authority will separately identify them in its proceedings and will enter into a joint community facilities agreement with such Third Party Local Agency as required by the Mello-Roos Act. The Agency acknowledges that Improvements and Fees will be funded through a CFD only if they are necessary to meet increased demands placed upon the Agency as a result of development occurring or expected to occur within the proposed CFD and Services will be funded through a CFD only if they are in addition to those provided in the territory of the CFD before the CFD was created and will not supplant existing services. In connection with the formation of each CFD, as may be required by the Authority’s procedures, the Agency shall certify that such requirements are satisfied in form and substance satisfactory to the Authority.

Section 5. This Resolution sets the terms of a “joint community facilities agreement” (as defined in Section 53316.2 of the Mello Roos Act) between the Agency and the Authority. Adoption of each Resolution of Intention to form a CFD under the Mello-Roos Act to finance Agency Improvements, Agency Fees or Agency Services shall constitute acceptance of the terms hereof by the Authority with respect to such CFD. This Resolution and the Authority’s Resolution of Intention for the respective CFDs shall together embody a separate and independent joint community facilities agreement for each CFD formed by the Authority (the “Joint Agreement”). The Board of Supervisors hereby finds and determines that this resolution and each Joint Agreement are beneficial to the residents/customers of the Agency and are in the best interests of the residents of the Agency, and of the future residents of the area within the proposed CFDs.

Adoption by the Authority of each Resolution of Intention to form a CFD or an Assessment District shall constitute agreement by the Authority to indemnify and to hold the County, its officers, agents and employees harmless from any and all claims, suits and damages arising out of the formation or administration of such CFD or Assessment District or the issuance of bonds therefor except to the extent such claims, suits and damages are caused by the negligence or willful misconduct of such indemnified parties.

Section 6. Proceeds from the sale of Local Obligations and CFD special tax proceeds available to finance the Improvements shall be deposited in one or more special funds for each development project (the “Acquisition and Construction Fund”), which the Authority shall establish and maintain for so long as such proceeds remain. The Acquisition and Construction Fund will be available both for Agency Improvements and Agency Fees and for the Improvements and Fees pertaining to each Third Party Local Agency. Subaccounts shall be created as necessary. The Authority shall promptly provide notice in writing (which may be delivered by electronic means) to the Agency as to the amount of Local Obligation proceeds or special taxes made available to finance Improvements and Fees. The Authority will remit any special tax revenues from any particular CFD remaining after the final retirement of all related Local Obligations to the Agency and to the other local agencies in the proportions specified in the Authority’s proceedings. The Agency will apply any such special tax revenues it receives for authorized Agency Improvements, Agency Fees and/or Agency Services, as applicable, and its own administrative costs only as permitted by respective CFD proceedings and by the Mello-Roos Act.

Section 7. As respects the Authority and each Third Party Local Agency, the Agency agrees to fully administer, and to take full governmental responsibility for, the construction or acquisition of the Agency Improvements and for the administration and expenditure of the Agency Fees, as applicable, including but not limited to environmental review, approval of plans and specifications, bid requirements, performance and payment bond requirements, insurance requirements, contract and construction administration, staking, inspection, acquisition of necessary property interests in real or personal property, the holding back and administration of retention payments, punch list administration, and the Authority and each Third Party Local Agency shall have no responsibility in that regard. The Agency reserves the right, as respects

each Participating Developer, to require the Participating Developer to contract with the Agency to assume any portion or all of this responsibility.

Section 8. The Agency agrees to indemnify and to hold the Authority, its other members, and its other members' officers, agents and employees, and each Third Party Local Agency and their officers, agents and employees (collectively, the "Indemnified Parties") harmless from any and all claims, suits and damages (including costs and reasonable attorneys' fees) arising out of the design, engineering, construction and installation of the Agency Improvements and the improvements to be financed or acquired with the Agency Fees. The Agency reserves the right, as respects each Participating Developer, to require the Participating Developer to assume by contract with the Agency any portion or all of this responsibility.

Section 9. As respects the Authority and each Third Party Local Agency, the Agency agrees – once the Agency Improvements are constructed according to the approved plans and specifications, and the Agency and the Participating Developer have put in place their agreed arrangements for the funding of maintenance of the Agency Improvements – to accept ownership of the Agency Improvements, to take maintenance responsibility for the Agency Improvements, and to indemnify and hold harmless the Indemnified Parties to the extent provided in the preceding paragraph from any and all claims, etc., arising out of the use and maintenance of the Agency Improvements. The Agency reserves the right, as respects the Participating Developer, to require the Participating Developer by contract with the Agency to assume any portion or all of this responsibility.

Section 10. The form of the Acquisition Agreement presented to the Board of Supervisors, and attached to the agenda packet prepared for this Resolution, is hereby approved, and the Chair of the Board of Supervisors, Vice Chair of the Board of Supervisors, Chief Executive Officer, Treasurer-Tax Collector, or any such officer's designee (each, an "Authorized Signatory") are each individually authorized to execute, and deliver to the Participating Developer, the Acquisition Agreement on behalf of the Agency in substantially that form, with such changes as shall be approved by the Authorized Signatory after consultation with the County Counsel and the Authority's bond counsel, such approval to be conclusively evidenced by the execution and delivery thereof.

Section 11. The terms of this Resolution and each Joint Agreement embodied by this Resolution may be amended by a writing duly authorized, executed and delivered by the Agency and the Authority, except that no amendment may be made after the issuance of the Local Obligations by the Authority that would be detrimental to the interests of the bondholders without complying with all of the bondholder consent provisions for the amendment of the bond resolutions, bond indentures or like instruments governing the issuance, delivery and administration of all outstanding Local Obligations.

Section 12. Except to the extent of the indemnifications extended to each Third Party Local Agency in each Joint Agreement embodied by this Resolution, and the Agency's agreement to take responsibility for and ownership of the Agency Improvements, no person or entity, including the Participating Developer, shall be deemed to be a third party beneficiary of this Resolution, and nothing in this Resolution (either express or implied) is intended to confer upon any person or entity other than the Authority and the Agency (and their respective successors and assigns) any rights, remedies, obligations or liabilities under or by reason of this Resolution.

Section 13. The Agency hereby finds and declares that the issuance of revenue bonds by the Authority to purchase Local Obligations, and the issuance of bonds to refund such revenue bonds, in connection with SCIP will provide significant public benefits, including without limitation, savings in effective interest rate, bond preparation, bond underwriting and bond issuance costs,

and the more efficient delivery of local agency services to residential and commercial development within the Agency.

Section 14. The Authority has prepared and will update from time to time the “SCIP Manual of Procedures” (the “Manual”), and the Agency will handle bond proceeds and special tax collections for properties participating in SCIP in accordance with the procedures set forth in the Manual.

Section 15. The appropriate officials and staff of the Agency are hereby authorized and directed to make SCIP applications available to all property owners who are subject to Fees for new development within the Agency and/or who are conditioned to install Improvements and/or whose plans for new development within the Agency necessitate new or increased levels of Services and to inform such owners of their option to participate in SCIP; provided, that the Authority shall be responsible for providing such applications and related materials at its own expense. The Agency shall designate appropriate staff who shall be responsible for coordination with the Authority, and shall provide the appropriate contact information to the Authority from time to time.

Section 16. The Authority will administer the Assessment Districts and CFDs, including employing and paying all consultants, annually levying the assessments and special tax and all aspects of paying and administering the Local Obligations, and complying with all State and Federal requirements appertaining to the proceedings, including the requirements of the United States Internal Revenue Code. The Agency will cooperate fully with the Authority in respect of the requirements of the Internal Revenue Code and to the extent information is required of the Agency to enable the Authority to perform its disclosure and continuing disclosure obligations with respect to the Local Obligations and any revenue bonds, although the Agency will not participate in nor be considered to be a participant in the proceedings respecting the CFDs (other than as a party to each Joint Agreement) nor will the Agency be or be considered to be an issuer of the Local Obligations nor any revenue bonds. The appropriate officials and staff of the Agency are hereby authorized and directed to execute and deliver such certificates, requisitions, agreements and related documents, including but not limited to such documents as may be required by bond counsel in connection with the participation in SCIP of any districts, authorities or other third-party entities entitled to own Improvements and/or to levy and collect Fees on new development to pay for public capital improvements within the jurisdiction of the Agency, as are reasonably required by the Authority in accordance with the Manual to implement SCIP and to evidence compliance with the requirements of federal and state law in connection with the issuance by the Authority of the Local Obligations and any other bonds for SCIP. Further, all amendments, consents, approvals, notices, orders, requests and other actions permitted or required by this Resolution, any Joint Agreement, or any document executed in connection with Local Obligations and revenue bonds issued by the Authority, which may be necessary or desirable in connection with the formation of any Assessment District or CFD, issuance of Local Obligations, or administration of proceeds of Local Obligations or special taxes may be given or taken by any Authorized Signatory or other appropriate official of the Agency without further authorization by this Board of Supervisors.

Section 17. This Resolution shall take effect immediately upon its adoption. The Clerk of the Board of Supervisors of the County of Mendocino is hereby authorized and directed to transmit a certified copy of this Resolution to the Secretary of the Authority. This Resolution shall remain in force with respect to any Assessment District and CFD formed until all Local Obligations have been retired and the authority to levy the special tax conferred by any CFD proceedings and to levy the assessment conferred by any assessment proceedings has ended or is otherwise terminated.
