1. **INDEPENDENT CONTRACTOR:** No relationship of employer and employee is created by this Agreement; it being understood and agreed that CONTRACTOR is an Independent Contractor. CONTRACTOR is not the agent or employee of the COUNTY in any capacity whatsoever, and COUNTY shall not be liable for any acts or omissions by CONTRACTOR nor for any obligations or liabilities incurred by CONTRACTOR.

CONTRACTOR shall have no claim under this Agreement or otherwise, for seniority, vacation time, vacation pay, sick leave, personal time off, overtime, health insurance medical care, hospital care, retirement benefits, social security, disability, Workers' Compensation, or unemployment insurance benefits, civil service protection, or employee benefits of any kind.

CONTRACTOR shall be solely liable for and obligated to pay directly all applicable payroll taxes (including federal and state income taxes) or contributions for unemployment insurance or old age pensions or annuities which are imposed on CONTRACTOR by any governmental entity in connection with the labor used or which are measured by wages, salaries or other remuneration paid to CONTRACTOR's officers, agents or employees and agrees to indemnify and hold County harmless from any and all liability which COUNTY may incur because of CONTRACTOR's failure to pay such amounts.

In carrying out the work contemplated herein, CONTRACTOR shall comply with all applicable federal and state workers' compensation and liability laws and regulations with respect to the officers, agents and/or employees conducting and participating in the work; and both CONTRACTOR and County agree that such officers, agents, and/or employees will be considered as Independent Contractors and shall not be treated or considered in any way as officers, agents and/or employees of COUNTY.

CONTRACTOR does, by this Agreement, agree to perform its/his/her said work and functions at all times in strict accordance with all applicable federal, state and County laws, including but not limited to prevailing wage laws, ordinances, regulations, titles, departmental procedures and currently approved methods and practices in its/his/her field and that the sole interest of COUNTY is to ensure that said service shall be performed and rendered in a competent, efficient, timely and satisfactory manner and in accordance with the standards required by the County agency concerned.

2. **INDEMNIFICATION:** To the furthest extent permitted by law (including without limitation California Civil Code sections 2782 and 2782.8, if applicable), Contractor shall assume the defense of, indemnify, and hold harmless the COUNTY, its officers, agents, and employees, from and against any and all claims, demands, damages, costs, liabilities, and losses whatsoever to the extent alleged to be

occurring or resulting in connection with the CONTRACTOR'S negligent performance or its obligations under this AGREEMENT, unless arising out of the negligence or willful misconduct of COUNTY. "CONTRACTOR'S performance" includes CONTRACTOR'S action or inaction and the action or inaction of CONTRACTOR'S officers, employees, agents and subcontractors.

3. **INSURANCE AND BOND:** CONTRACTOR shall at all times during the term of the Agreement with the COUNTY maintain in force those insurance policies and bonds as designated in the attached Exhibit C, and will comply with all those requirements as stated therein. Notwithstanding the foregoing, County acknowledges that CONTRACTOR, as a public agency can, pursuant to California Government Code Section 990, satisfy the insurance requirements set forth herein with a combination of self-insurance and self-insured pool insurance.
4. **WORKERS' COMPENSATION:** CONTRACTOR shall provide Workers' Compensation insurance, as applicable, at CONTRACTOR's own cost and expense and further, neither the CONTRACTOR nor its carrier shall be entitled to recover from COUNTY any costs, settlements, or expenses of Workers' Compensation claims arising out of this Agreement.

CONTRACTOR affirms that it/s/he is aware of the provisions of Section 3700 of the California Labor Code which requires every employer to be insured against liability for the Workers' Compensation or to undertake self-insurance in accordance with the provisions of the Code and CONTRACTOR further assures that s/he will comply with such provisions before commencing the performance of work under this Agreement. CONTRACTOR shall furnish to COUNTY certificate(s) of insurance evidencing Worker's Compensation Insurance coverage to cover its employees, and CONTRACTOR shall require all subcontractors similarly to provide Workers' Compensation Insurance as required by the Labor Code of the State of California for all of subcontractors' employees.

5. **CONFORMITY WITH LAW AND SAFETY:**
 - a. In performing services under this Agreement, CONTRACTOR shall observe and comply with all applicable laws, ordinances, codes and regulations of governmental agencies, including federal, state, municipal, and local governing bodies, having jurisdiction over the scope of services, including all applicable provisions of the California Occupational Safety and Health Act. CONTRACTOR shall indemnify and hold COUNTY harmless from any and all liability, fines, penalties and consequences from any of CONTRACTOR's failures to comply with such laws, ordinances, codes and regulations.
 - b. **Accidents:** If a death, serious personal injury or substantial property damage occurs in connection with CONTRACTOR's performance of this Agreement, CONTRACTOR shall immediately notify Mendocino County

Risk Manager's Office by telephone. CONTRACTOR shall promptly submit to COUNTY a written report, in such form as may be required by COUNTY of all accidents which occur in connection with this Agreement. This report must include the following information: (1) name and address of the injured or deceased person(s); (2) name and address of CONTRACTOR's sub-contractor, if any; (3) name and address of CONTRACTOR's liability insurance carrier; and (4) a detailed description of the accident and whether any of COUNTY's equipment, tools, material, or staff were involved.

- c. CONTRACTOR further agrees to take all reasonable steps to preserve all physical evidence and information which may be relevant to the circumstances surrounding a potential claim, while maintaining public safety, and to grant to the COUNTY the opportunity to review and inspect such evidence, including the scene of the accident.
6. PAYMENT: For services performed in accordance with this Agreement, payment shall be made to CONTRACTOR as provided in Exhibit "B" hereto as funding permits.

If COUNTY over pays CONTRACTOR for any reason, CONTRACTOR agrees to return the amount of such overpayment to COUNTY, or at COUNTY's option, permit COUNTY to offset the amount of such overpayment against future payments owed to CONTRACTOR under this Agreement or any other agreement.

In the event CONTRACTOR claims or receives payment from COUNTY for a service, reimbursement for which is later disallowed by COUNTY, State of California or the United States Government, the CONTRACTOR shall promptly refund the disallowance amount to COUNTY upon request, or at its option COUNTY may offset the amount disallowed from any payment due or that becomes due to CONTRACTOR under this Agreement or any other agreement.

All invoices, receipts, or other requests for payment under this contract must be submitted by CONTRACTOR to COUNTY in a timely manner and consistent with the terms specified in Exhibit B. In no event shall COUNTY be obligated to pay any request for payment for which a written request for payment and all required documentation was first received more than six (6) months after this Agreement has terminated, or beyond such other time limit as may be set forth in Exhibit B.

7. TAXES: Payment of all applicable federal, state, and local taxes shall be the sole responsibility of the CONTRACTOR.
8. OWNERSHIP OF DOCUMENTS: CONTRACTOR hereby assigns the COUNTY and its assignees all copyright and other use rights in any and all proposals, plans, specification, designs, drawings, sketches, renderings, models, reports

This explicitly includes the electronic copies of all above stated documentation.

CONTRACTOR shall be permitted to retain copies, including reproducible copies and computerized copies, of said Documents and Materials. CONTRACTOR agrees to take such further steps as may be reasonably requested by COUNTY to implement the aforesaid assignment. If for any reason said assignment is not effective, CONTRACTOR hereby grants the COUNTY and any assignee of the COUNTY an express royalty – free license to retain and use said Documents and Materials. The COUNTY's rights under this paragraph shall apply regardless of the degree of completion of the Documents and Materials and whether or not CONTRACTOR's services as set forth in Exhibit "A" of this Agreement have been fully performed or paid for.

The COUNTY's rights under this Paragraph 8 shall not extend to any computer software used to create such Documents and Materials. Provided, however, that for the avoidance of doubt, all methodologies, know-how, industry knowledge and descriptions of the same, and other reusable information and works of authorship that CONTRACTOR has used in connection with the services, whether developed, enhanced or acquired prior to or during CONTRACTOR's performance of the services, are and shall remain CONTRACTOR's proprietary property and shall not be deemed "works made for hire."

CONTRACTOR further warrants and represents that it knows of no allegations, claims, or threatened claims that the CONTRACTOR PRODUCTS provided to COUNTY under this Agreement infringe any patent, copyright, trademark or other proprietary right. In the event that any third party asserts a claim of infringement against the COUNTY relating to a CONTRACTOR PRODUCT, CONTRACTOR shall indemnify and defend the COUNTY pursuant to Paragraph 2 of this AGREEMENT.

In the case of any such claim of infringement, CONTRACTOR shall either, at its option, (1) procure for COUNTY the right to continue using the CONTRACTOR Products; or (2) replace or modify the CONTRACTOR Products so that that they become non-infringing, but equivalent in functionality and performance.

33. ELECTRONIC COPIES:

The parties agree that an electronic copy, including facsimile copy, email, or scanned copy of the executed Agreement, shall be deemed, and shall have the same legal force and effect as, an original document.

Contractor hereby agrees to provide all services under this Agreement in accordance with generally accepted professional practices and standards of care, as well as the requirements of applicable Federal, State, and local laws, it being understood that acceptance of Contractor's work by County shall not operate as a waiver or release. If County determines that any of Contractor's work is not in accordance with such level of competency and standard of care, County, in its sole discretion, shall have the right to do any or all of the following: (a) require Contractor to meet with County to review the quality of the work and resolve matters of concern; (b) require Contractor to repeat the work at no additional charge until it is satisfactory; (c) terminate this Agreement pursuant to the provisions of paragraph 19 (Termination) or (d) pursue any and all other remedies at law or in equity.

EXHIBIT A

DEFINITION OF SERVICES

This project consists of an evaluative review of the County's current fiscal practices and processes. All operating departments which provide fiscal data and conduct transactional activity through centralized finance departments are part of the overall fiscal system, as are procurement processes. This process will necessarily be broad, as there are numerous elements throughout the County's operations which contribute to the overall efficacy of the County's fiscal system. This initial review will consider the three contributing factors identified below:

The key outcome of this evaluative review will be a written report presenting a “big picture” assessment of existing fiscal systems and their capacities and functionality, and it will include recommendations or alternatives for developing or improving practices and tools to increase both complete and accurate financial reporting and administrative effectiveness as appropriate. Further in-depth study of specific situations or issues may also be recommended.

The first priority is focused on fiscal department activities, and includes a review of existing financial data available within the County's Munis enterprise software, resulting in an understanding of what is immediately discernable regarding current fiscal condition of the County, and clarifying the areas of analytic focus.

RGS will interview County executives to understand specific timing and content of their needs for financial information to support the achievement of County goals, as well as current methods of obtaining such information. In addition, RGS will interview or survey key fiscal staff throughout the County to develop an understanding of the sources of fiscal

information, communication channels, capacity, and tools and methods that affect the functionality of the County's financial reporting. Interviews may be either individual or in small groups. Key customers and other stakeholders may also be interviewed as appropriate to understand the inputs and outputs relevant to financial information and activities.

RGS Advisors may review select written policies and procedures and other relevant documents and records to evaluate the County's alignment with a range of effective systems use requirements and management communication best practices. Desk audits and file reviews may be conducted to understand how data systems are utilized to store and transmit financial information and produce financial analysis and reporting as well as accurate accounting.

Other areas of inquiry may include:

- Review of Tyler Munis Software utilization to assure County is fully realizing the value of its ERP.
- Review of financial and accounting service needs and level of services provided.
- Review of financial administration workload associated with projected infrastructure and operational development.
- Identification of unmet organizational needs
- Consideration of opportunities for improving inter and intra-departmental communications with the Auditor Controller's Office.
- Identification of opportunities to improve efficiency.

RGS will act promptly to acquire a systemic understanding of the capacity and functionality of the County's overall fiscal structure and systems, and to provide insights into possible improvements. The final scope, order and timing of activities will be determined by the County's priorities and availability of key staff.

County staff will be tasked with timely participation in interviews, surveys, desk audits and document production. Key documents which may be included in this review include:

- Organizational Charts
- Administrative Job Descriptions/Areas of Responsibility
- Budget and Salary Schedules
- Contracts with Key Third Party Administrators, and Consultants
- County Financial Policies
- Procedural Guidance for Processing Fiscal Transactions
- Procedural Guidance for Financial Forecasting
- Handbooks and Training Materials for Munis System Users
- Governance Policies, Mission and Vision Statements, and Strategic Plans

PROPOSED TIMELINE
