PREAMBLE

This Memorandum of Understanding, hereafter referred to as the "MOU", or "Memorandum," or alternatively - as the "Agreement", is by and between the Mendocino County Board of Supervisors, hereafter referred to as the "County," and the Mendocino County Department Head Association, hereafter referred to as the "Association".

The County and the Association recognize their duty and obligation to comply with the provisions of this Memorandum of Understanding and to make every effort toward fully and faithfully carrying out each provision. It is further understood and agreed that this Memorandum is not binding on the parties hereto until ratified by the Mendocino County Board of Supervisors and by the Association.

ARTICLE 1 – RECOGNITION & TERM

1.1 Recognition

The County of Mendocino recognizes the Mendocino County Department Head Association as the sole recognized employee organization for Department Head employees.

1.2 Term

This Agreement covers the period from September 1, 2022 – August 31, 2023, inclusive.

ARTICLE 2 - SALARY AND SALARY UPON STATUS

2.1 **Longevity Increase**

A longevity pay increase shall be paid to Department Head. An increase shall require written request by the Department Head and verification of service by the County Human Resources Director.

A Department Head shall be eligible for longevity pay when they have served five (5) years at step 5 or a flat rate salary and upon each five (5) year anniversary thereafter. The increase shall be 2½% for each five year period.

The Department Head further agree to continue to meet and confer with the County to develop an equitable system for determining longevity pay based on merit.

The Board of Supervisors acknowledge that the current longevity model is not equitable in comparison to other bargaining units' longevity and that the Board is committed to working on a solution for next round of negotiations.

2.2 **Deferred Compensation Plan**

Those classifications represented by the Department Head Association or covered by its MOU, shall receive a deferred compensation match of 4%.

2.3 **Salary Provision** Effective the first full pay period following ratification and Board of Supervisors approval, Department Head members will receive a 2% Cost of Living increase (COLA).

ARTICLE 3 - EXPENSES, MATERIALS AND REIMBURSEMENTS

3.1 **Education, Training and Health Stipend**

Each employee represented by this bargaining unit shall be provided \$1500.00 per fiscal year (July to June) in the form of a taxable Education, Training and Health Stipend for expenses associated with the following: education, training, travel, computer equipment, software and other supplies and equipment; health club dues and fees and equipment intended to maintain good health and fitness. This Education, Training and Health Stipend replaces the Education, Training and Health Flex Benefit Program also known as the Management Training Benefit.

The stipend shall be divided equally into four quarterly payments and shall be automatically included in the last paycheck issued in September, December, March, and June, as long as the employee remains an employee of the bargaining unit at the time of the quarterly payment.

Upon approval of this MOU by the Board of Supervisors, all bargaining unit members shall receive the balance of their current accrued Education, Training and Health Flex

Benefit (i.e., the Management Training Benefit) allowance, which exceeds \$750.00, in the last paycheck issued in January 2023. Thereafter, quarterly payments of \$375.00 shall be issued in the last paycheck issued in March 2023, June 2023. If the employee has a current allowance balance of less than \$750.00 upon the implementation of this new process of stipend payments, the payment of the remaining balance shall be paid in the maximum amount of \$375.00 each in March 2023 and June 2023 until balance is zero. No additional claims for reimbursement or payment of invoices requested after ratification of this MOU will be processed or paid.

This stipend (and payout of prior allowance) will be taxable per IRS regulations and no receipts or claim forms are required.

The goals of this Program are the increased professional and personal competence, education, training, skills, health, benefit and well-being of employees. Programs, courses, education, training, and services or materials that contribute to or advance these goals are appropriate expenditures. These monies are not to be taken from the particular departmental funds.

An employee shall not be required to purchase necessary workplace equipment using these funds.

The County shall not be responsible for maintaining any items purchased with these funds.

3.2 **Automobile Allowance**

3.2.1 **Eligible Executive Employees and Officials**

The County executive employees and officials set forth in Appendix A are eligible for the Automobile Allowance created in this Agreement.

3.2.2 **Conditions of Electing to Receive the Automobile Allowance:**

A. All eligible executive employees and officials may elect from the following options:

1. Receive an automobile allowance under the terms and conditions of this Agreement and Resolution; or
2. Continue to receive reimbursement for actual mileage expended on County business for intra-County travel as well as outside of the County travel, as set forth in the County's travel policy; and/or receive usage of a County vehicle for business travel; in accordance with County travel policy and vehicle use policy.

B. While an eligible executive employee or official who elects to receive an automobile allowance may continue to be reimbursed or use County vehicles, for travel **outside** Mendocino County in accord with County policies; the employee or official **may not be reimbursed for travel within the county, nor** may the employee or official use a County vehicle for normal business travel **within the County**.

- C. Electing this option does not effect the employee's or official's ability to use County trucks, vans, 4x4's or other utility vehicles for appropriate utilitarian, emergency, or extraordinary use. The intent of this section is to prevent the abusive use of this benefit by electing to receive an automobile allowance yet continuing to use County vehicles on a daily, frequent or constant basis.

3.2.3 Electing to Receive an Automobile Allowance

- A. An eligible executive employee or official must inform the Payroll Manager/Supervisor of his or her decision to receive an automobile allowance in such form or manner as the Payroll Manager / Supervisor or the Auditor determines appropriate for record-keeping and tax purposes.
- B. The employee or official will receive the auto allowance beginning the next pay period after filing for this option. However, the eligible employee may receive the auto allowance during the same pay period the option claim is filed, if the Payroll manager/ supervisor determine that the claim can be processed expeditiously and in timely manner, and without undue diversion of employee resources.
- C. An eligible employee or official may elect to enter or leave the automobile allowance program no more than twice a year during the following election periods of enrollment:
 - 1. Within five pay periods of being hired, appointed, assigned, promoted, or transferred into an eligible classification or position;
 - 2. Within five pay periods after the enactment of this Agreement or Resolution;
 - 3. Within pay periods 14 and 15 of the fiscal year [the first two pay periods of the fiscal year]; and/or
 - 4. Within pay periods 1 and 2 of the fiscal year [the first two pay periods covering the beginning of the calendar year, approximately the middle two pay periods of the fiscal year].
- D. At the time the employee or official elects to receive an auto allowance, he or she must inform the Payroll Manager or Supervisor whether:
 - 1. The executive employee or official wants to receive the allowance as a tax-free allowance. If the employee or official elects this choice, the employee or official must provide the Payroll manager or supervisor with detailed travel records on a quarterly basis, to determine which portion of the allowance will remain tax-free.
 - 2. Alternatively, the eligible employee or official must notify Payroll that they will receive the allowance as a normal taxable benefit, if the employee will not be submitting quarterly travel records.

3.2.4 Amount of the Automobile Allowance

Eligible executive employees and officials who elect to receive an automobile

allowance shall receive \$250.00 [two-hundred fifty Dollars] per month as a benefit added to their paycheck.

3.2.5 Credit Card

Agree to provide a credit card to any department head, if that department head so desires, for payment of travel related expenses, thereby minimizing the likelihood of that department head utilizing personal funds (which are later reimbursed) for such travel expenses. The credit card will be provided in a manner that is deemed to achieve the greatest level of accounting efficiency and internal control as determined by the Auditor-Controller.

4.1.6 Maintenance and Improvement of Benefits

4.1.7 Review

The County will continue to review the stability of the health plan and make recommendations to the HBC.

The County will pay for future service at the same ratio (percentage) as previously established. In this regard, and as the retirement benefit has increased, the employee retirement cost will increase to reflect the benefits enumerated under Government Code, section 31676.12, of the retirement formula. However, this formula shall not apply to persons who are defined as "new members" under PEPRA.

Prior to the County adopting a new lower tier retirement formula, the County and Department Head Association will meet and discuss what benefit level(s) the County is considering.

4.3 Safety Member Retirement

- A. The County has implemented the formula in Government Code Section 31664 (the 2% at 50 safety retirement formula) for the Chief Probation Officer.
