Interests & Experiences

Special Expertise, Experience, or Interest in This Area?

I have always had a passion for history. Specifically the local history of Northern California holds great interest for me. As a new resident of Mendocino village I hope to contribute, utilizing my over 15 years of experience in local government. Growing up in Willits my frequent visits here allowed me to experience what changed and what has stayed the same over time. I am able to work from home both as the Director of the Leadership Mendocino program as well as publisher of Word of Mouth magazine. This flexibility will allow me to serve on the board if appointed to do so. Thank you for this opportunity and I welcome further conversations or questions.
