## Interests & Experiences

### Special Expertise, Experience, or Interest in This Area?

---

I live in Potter Valley and have family buried at the cemetery. During my first term as a county supervisor, I took action to increase the size of the board from 3 to 5 members and then found interested residents to serve. In addition, I helped the board get functioning at all levels of responsibility. I helped the district with financial stability and advised on actions to eliminate the debt the district had with the County.
