County Board of Supervisors Mendocino County

501 Low Gap Road, Room #1010

Ukiah, CA 95482

Hello, my name is Grant J. Shelby. I live at 46931 Ocean View Ave in Anchor Bay.

I have been a resident of Mendocino County for 15 + years. My mailing address

is 35501 S HWY 1 unit 78 Gualala Ca 95445.

I would like to join the Mendocino County Waterworks District #2 to help out and be involved with a community system. I am a retired Water and Wastewater Plant Supervisor for California State Parks Mendocino District.

I kindly ask the Board of Supervisors to appoint me in lieu of the election at the next meeting. The district #2 is down to 2 members and should have 5 to operate at it's best.

Thank you for the consideration,
