Interests & Experiences

Special Expertise, Experience, or Interest in This Area?

I am a Registered Professional Forester in California. I have extensive experience in forest restoration/management and have worked on developing market incentives for improved forest management, reforestation, urban forestry, and avoided conversion of forests. I am the author of several protocols used by the Climate Action Reserve and adopted by California Air Resources Board for compliance purposes in California's Cap and Trade Program. I have presented internationally on market mechanisms and currently work extensively in Mexico with the consideration of sustainable forest management in their climate program. I have also worked with counties (Sonoma and Merced) on the development of county-wide planning efforts to assess GHG reference levels, identify the d
